Dear Sir/Madam,

Greetings!

There was a request to subsidize the annual event of the Junior Philippine Geographical Society – UP Diliman (JPGS–UPD) called the **2020 National Geography Challenge (NGC)** on March 7, 2020 at the University of the Philippines, Diliman. The event is themed: *“Pag-unlad: Para Kanino at Para Saan?”* that targets students from Grades 9 to12. Unfortunately, due to the current COVID-19 scare and other logistical problems, the organization decided to **postpone** the event to **October this year**.

In line with this, the organization asks your good office to disseminate the postponement of the event immediately to the proper Division School Offices that you have contacted earlier this year.

Should you have any concerns, do not hesitate to contact the organizers via email at jpgs.ngc@gmail.com and/or through **JESA KARA GASCON** at cell number: **+63 997 210 5710**.

In the service of the Filipino youth,

JESA KARA GASCON
Project Head

President
