REGIONAL MEMORANDUM

No. **0211**, s. 2020

1ST TO 3RD QUARTERS SCIENCE LEARNING COMPETENCY AUDIT

To: Schools Division Superintendents
 All Others Concerned

1. This Office, through the Curriculum and Learning Management Division, will conduct the 1st to 3rd Quarters Science Learning Competency Audit. The audit aims to review the K to 12 Basic Education Science curriculum in the region by identifying factors that affect the delivery of Science competencies, and thereby enhance the delivery and implementation of Science-related activities, programs and projects through policy recommendations.
2. Relative to this, all Schools Division Superintendents shall require all Science teachers from Grade 3 to 12 to answer the online survey at www.bit.ly/SC1educR8. All gathered data shall be kept confidential and shall be used solely for the purpose of reviewing the Science curriculum implementation through identifying the least learned competencies for the 1st quarter, difficult topics, and concerns in relation to Science instruction. The online survey is open from January 7, 2020 to February 29, 2020.
3. The Science teachers who have already accomplished the last audit are no longer involved.
4. Immediate dissemination of and compliance with this Memorandum are desired.
