TITLE : EVALUATION & RECOMMENDATION FOR THE CONVERSION OF MATALUD ELEMENTARY SCHOOL TO MATALUD INTEGRATED SCHOOL, BARANGAY MATALUD, SAN JORGE, SAMAR

BACKGROUND

Barangay Matalud is one of the interior barangays of the Municipality of San Jorge, Samar, strategically situated as the catchment area of other barangays namely, Cagtotoog, Cabugao, Libertad and Gayondato. The biggest part of the barangay populace depends on farming and coconut industry as means of living. The said barangay can be reach through habal-habal and hiking. The nearest secondary school is located in Barangay Buenavista named Buenavista National High School, in which most of the learners from barangay Matalud and its neighboring communities come to school through hiking due to its high fare rate. Considering the distance of the barangay and the means of transportation, it really entails big budget and looking into the life of the families living in the barangay of Matalud and its neighboring communities, sustainability of learners to finish secondary education is of great challenge. Somehow, school-aged learners ages 12-17 have possibilities to be school leavers or eventually drop-out. These scenarios impelled parents and other stakeholders to have a secondary school to be open in barangay Matalud.

The said barangay has an existing complete elementary school named Matalud Elementary School with a land area of 10,028 sq.m. The Grade 6 completers of the said school need to continue their secondary education in the nearest high school named Buenavista National High School (BNHS). Parents must spend around Two Hundred Fifty Pesos (PhP 250.00) a day for the cost of a round trip fare including the food and other allowances which

could hardly be sustained by them especially those who have only limited income. As a result, high percentage of students' absenteeism and dropouts became a burden to the parents and the school. Moreover, due to financial constraints, only limited number of Grade 6 graduates from the above-mentioned elementary school and its nearby elementary schools have a chance to continue studies in the secondary education.

In view therefore, parents and municipal officials supported by the Local Chief Executive of the Municipality of San Jorge, Samar, with the Barangay Officials of Matalud and its neighboring barangays, namely: Cagtotoog, Cabugao, Libertad and Gayondato expressed their full support for the request of the conversion of Matalud ES to an Integrated School with the hope that financial burden among parents may be lessen and high participation rate may be assured. The Grade 6 graduates coming from the nearby elementary schools of the said barangays will also be greatly benefited.

Moreover, the Schools Division Superintendent of Samar Division intensely expressed her support to the proposed conversion of school initiated by the concerned parents and local officials to ensure that all school-aged children in the community will have access to basic education and possibly lessen the financial burden of parents in sending their children to school. Thus, conversion of Matalud Elementary School to Matalud Integrated School in Barangay Matalud, Municipality of San Jorge, Samar endorsed by the Division of Samar to the Regional Office is deemed necessary.

FINDINGS:

1. Matalud Elementary School has a total land area of 10,028 sq.m. which has enough buildable space for expansion to Junior High School and even for Senior High School. The school site is free from flooding and landslide based on the certification issued by the Mines and GeoScience Bureau.

2. The LGU, through its Sangguniang Bayan Members of San Jorge strongly expressed their full support to the school and commit to allocate additional budget for the expansion to the secondary level through a Resolution No. 10 s. 2019 dated July 15, 2019.

3. The Officials of Barangay Matalud expressed their full support for the conversion of the said school which is located in their barangay through a Resolution No. 002, s. 2019 dated April 15, 2019. Same Resolution of support were executed by the neighboring barangays as follows: Cagtotoog with Resolution No. 003, s. 2019 dated July 8, 2019, Libertad with Resolution No, 003, s. 2019 dated July 8, 2019, and Cabugao with Resolution No, 003, s. 2019 dated July 8, 2019.

4. The barangay officials of Matalud, Cagtotoog, Libertad, Cabugao and Gayundato and the assigned District Supervisor together with the Division Engineer and Education Program Supervisor for Physical Facilities present during the consultative meeting conducted by the DepEd Regional Inspectorate Team also expressed their willingness and full support for the conversion of the school during the Focused Group Discussion (FGD).

5. Matalud ES has an existing vacant four (4) classroom and 85 available armchairs that can accommodate Grades 7 and 8 learners.

6. The excess learning materials and school furniture from Buenavista NHS and the other schools in the District will also be given to the proposed Matalud Integrated School as per commitment expressed by the assigned District Supervisor.

7. The proposed school will receive support from the Local Government of San Jorge while the inclusion of the school in the GAA of DepEd is on process.

8. Schools Division Office of Samar through its assigned District Supervisor extended support as to the provision of technical assistance for the school management, supervision and other needs especially to teachers.
