Dear Dr. Uytico,

Greetings!

Philippine Stagers Foundation (PSF), a non-stock, non-profit theater organization based in Manila has launched its Annual Absolutely Free Training and Seminar on Culture and the Arts. For the past 18 years, we commit to ensure that all youths, especially the indigents, have full access to performing arts as spectators or practitioners, be provided with quality non-formal education and skills training, and consequently have enhanced opportunities for employment in the arts.

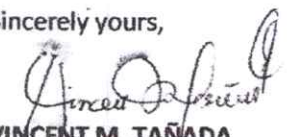

In this light, we implore your kind indulgence to allow our organization to facilitate an Absolutely Free Webinar on Arts Education Program which anchors on personality development, voice, movement, and acting techniques on both live performances and virtual entertainment programs for ALS-EST learners and teachers on July 16, 10:00am onwards.

The undersigned, Multi-Awarded Writer and Director, Atty. Vincent M. Tañada will be the main speaker. Zoom Meeting will be the online carrier, the link of which will be provided the day before the webinar.

This pandemic is not a reason for us to halt the objective of DepEd to provide access to education for all. As a premier curriculum-based non-stock, non-profit theater organization which endeavors to utilize the arts as a medium for education, PSF would like to aid DepEd on this objective.

Thank you.

Sincerely yours,
