SUBJECT : **WRITESHOP ON THE DEVELOPMENT OF SELF-DIRECTED AND DIFFERENTIATED LEARNING ACTIVITY SHEETS**

DATE : July 31, 2020

In support to the implementation of the Basic Education Learning Continuity Plan, the United States Peace Corps, in collaboration with the Multigrade Program in Philippine Education (MPPE) of the Bureau of Learning Delivery, Teaching and Learning Division, shall conduct an eight-day writeshop on the development of self-directed and differentiated learning activities to supplement the home-based learning of elementary school learners. This activity will be conducted on August 05-07 and August 10-14, 2020, respectively.

The main goal of the activity is to develop supplementary learning resources that learners can engage in such as the individualized learning activity sheets that will give them additional support and opportunities to practice and master the knowledge and skills they learned from a particular lesson. The activity specifically aims to:

1. capacitate the participants in the development of self-directed and differentiated learning activities;
2. develop a template for self-directed and differentiated learning activities utilizing best practices in materials development;
3. develop self-directed and differentiated learning activities in English, Math and Science for Grades 1 to 6 (3rd Grading period) aligned with the Most Essential Learning Competencies (MELCs);
