Dear Dir. Uytico:

Greetings!

U.P. Lipunang Pangkasaysayan (U.P. LIKAS), is an academic organization of students in the University of the Philippines- Diliman that promotes a critical and more relevant study of history as well as awareness of Filipino culture and society through different activities. One of the major endeavors of our organization is the annual National Conference of History Students. Last year, U.P. LIKAS successfully held its conference entitled "*PULOY-AN: Pagbuo at Pagtatanggol ng Teritoryong Pilipino*". The conference discussed the history of territory and territorial disputes; analyzed a nationally-accepted understanding of the Philippine territory from a historical, anthropological, sociological, geographical, cultural, economic, and legal perspective; and discoursed issues and policies concerning our territorial and maritime jurisdiction.

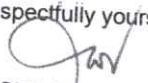

This year, U.P. LIKAS will be holding its 29th National Conference entitled "*Hunagay: Pagsasakasaysayan ng Pangangalaga sa Kalusugang Pilipino*" (Hunagay: Contextualizing Health in Filipino History and Culture). Due to the safety protocols being implemented, **it will be held online, through our event's official Facebook page on October 24, 30 and November 7.** The theme of this year's conference is to provide wider knowledge and understanding towards our national public health due to the health crisis we are facing. This 3-day online conference will discuss the history of medicine and health in the Philippines and the factors which affected the development of the public health system we have in the present.

Given the relevance of this topic to the current social discourse, **we humbly invite your office to take part in our conference and join us in gathering students and teachers from all over the country to enrich our understanding of our national public health history. We would also like to seek support from your office in conducting this activity through the issuance of an advisory from your office for the knowledge of schools and teachers under your region.** With your support, we could achieve our vision of promoting critical thinking in the field of history especially at these times that online learning is the primary access for education.

The registration for the conference is free. Attached with this document are the concept paper and program proposal for the conference. Should you have any inquiries, we will gladly discuss these matters with you personally. You may contact our Vice-Chairperson for External Affairs via 0966 612 3465 or e-mail us at uplikas@gmail.com.

Thank you very much.

Respectfully yours,

JOSUA B. CAMO
Vice-Chairperson for External Affairs
