SUBJECT: SUBMISSION OF PROPOSALS FOR ADDITIONAL FUNDS FOR THE
PROVISION OF LEARNING RESOURCES

DATE: September 3, 2020

The Office of the Undersecretary for Finance is accepting requests for additional funds for the provision of learning resources in line with the implementation of the Basic Education Learning Continuity Plan (BE-LCP). The OUF shall evaluate and endorse the proposals to the Learning Resources and Platform Committee (LRPC) of DepEd for their approval.

The Regional Director must submit a **consolidated proposal** from all divisions under his/her jurisdiction. The list of eligible activities that may be included in the proposal should be in accordance with Section 6.6 of DO 18, s. 2020 (Policy Guidelines for the Provision of Learning Resources in the Implementation of the Basic Education and Learning Continuity Plan) *. Purchase of Capital Outlay items (e.g. equipment, gadgets, software, or any item costing PhP 15,000.00 and above per unit) is not allowed. Please refer to Annex A for the template of the proposal.

In addition, please attach the latest consolidated Regional Statement of Expenditures (Annex B) as required in Section V of DO 18, s. 2020 to give this Office an update on the accomplishments of the region from the previously downloaded funds for the provision of learning resources.

All proposals must be submitted **on or before September 8, 2020** to OUF and EPDU through email at usec.financebpm@deped.gov.ph and epdu@deped.gov.ph, respectively. If you have any question you may contact Ms. Adel Abaya or Mr. Francis Migrino using the EPDU email provided.

Thank you.

*Section 6.6 DO 18, s. 2020 : Expenses related to the conduct of activities, including but not limited to procurement, or in-house/by administration, and/or partnership with Local Government Units (LGUs) and

other eligible entities, for the printing and delivery of SLMs and other learning resources such as locally-developed SLMs, manuals, worksheets, and activity sheets, and other expenses to cover supplies for the development of video and radio scripts/lessons, conversion of materials into accessible format, and development of interactive materials, may be charged against this fund. Other expenses related to the implementation of the different learning modalities may also be charged against this fund. The priority, however, shall be provided for the printing and delivery of the SLMs

As stated earlier, SLMs become an ideal learning resource and therefore a priority in remote or distance learning where a teacher is unable to provide the constant instructional supervision and guidance in a classroom setting. SLMs have been used by DepEd for its ADMs during disasters or in situations where learners have difficulty for daily school attendance. COVID-19 has compelled the use of SLMs on a large scale. Considering the uneven access to technology among learners and the revealed greater preference for modular learning from the learner enrollment and survey forms responses, SLMs will be the backbone distance learning mechanism to accompany textbooks, complemented by other distance learning modalities such as online and educational television and radio.
