REGIONAL MEMORANDUM

No. **478**, s. 2020

**ONLINE WRITESHOP ON THE DEVELOPMENT OF SELF-DIRECTED AND
DIFFERENTIATED LEARNING ACTIVITY SHEETS IN ENGLISH, SCIENCE,
AND MATHEMATICS FOR 4th QUARTER**

To: Schools Division Superintendents
All Others Concerned

- Attached is DepEd Memorandum DM-CI-2020-00243 from the Office of the Undersecretary for Curriculum and Instruction, dated September 4, 2020, announcing the conduct of the Online Writeshop on the Development of Self-Directed and Differentiated Learning Activity Sheets in English, Science, and Mathematics for 4th Quarter which will be held on September 9-10, 2020 and September 14-18, 2020.
- Other details relative to the conduct of this activity are stipulated in the above-mentioned DepEd issuance.
- All the concerned Schools Division Superintendents shall ensure the 100% attendance of the expected participants.
- Immediate dissemination of and compliance with this Memorandum are desired.

Enclosures: None

FROM : **DIOSDADO M. SAN ANTONIO**
 Undersecretary for Curriculum and Instruction

SUBJECT : **ONLINE WRITESHOP ON THE DEVELOPMENT OF SELF-DIRECTED AND DIFFERENTIATED LEARNING ACTIVITY SHEETS IN ENGLISH, SCIENCE, AND MATHEMATICS FOR 4TH QUARTER**

DATE : September 04, 2020

In support to the implementation of the Basic Education Learning Continuity Plan, the United States Peace Corps in collaboration with the Bureau of Learning Delivery (BLD)-Teaching and Learning Division shall conduct an eight-day online writeshop on the development of self-directed and differentiated learning activities to supplement the home-based learning of elementary learners. This activity will be conducted on September 09-11 and 14-18, 2020, respectively.

The main goal of the activity is to develop supplementary learning resources that learners can engage in such as the individualized learning activity sheets that will give them additional support and opportunities to practice and master the knowledge and skills they learned from particular lessons. The activity specifically aims to:

1. capacitate the participants in the development of self-directed and differentiated learning activities;
2. develop self-directed and differentiated learning activities in English, Math and Science for Grades 1 to 6 (4th Grading period) aligned with the Most Essential Learning Competencies (MELCs);
3. review, quality assure, and finalize the materials; and
4. print and distribute the learning materials (soft copy and printed copy) to ROs and SDOs.

In this regard, may we invite identified writers in the attached list (*Annex 1*) to participate in the said writeshop. Eligible expenses relative to the conduct of the writeshop will be charged against project funds to be disbursed by US Peace Corps.

To confirm their participation, the writers are encouraged to register at <http://deped.in/2ndPhaseofLASDev39t> on or before September 08, 2020.

For further inquiries, please contact BLD-TLD at (02) 8687-29-48 or email at multigrade@deped.gov.ph or bld.tld@deped.gov.ph.

INFORMATION NOTE

Development of Learning Activity Sheets in English, Science, and Mathematics for 4th Quarter by the Bureau of Learning Delivery in Partnership with U.S. Peace Corps and USAID

Activity Background

Mr. Ronald Dela Cruz with his laptop and reference materials went to his neighbor early on August 07, 2020. He wanted to prepare well and be ready to present his outputs in the plenary session. His neighbor was kind enough to let him use their internet connection as his connection at home was intermittent. When it was his turn to present, he enthusiastically shared his outputs for Science where students had to work on activities to improve their understanding of the concept of “Force.” Mr. Dela Cruz was one of the participants in the recently concluded online *Writershop on the Development of Self-Directed and Differentiated Learning Activity Sheets in English, Science, and Mathematics for 3rd Quarter* covering Grades 1 to 6 held on August 05 – 07 and 10 – 14, 2020.

The writershop was conceptualized in support of the Department of Education’s (DepEd) Learning Continuity Plan, which laid out DepEd’s plan for the education sector in response to the Covid-19 pandemic. It aimed primarily to develop independent learning activity sheets focusing on 3rd quarter learning competencies for Science, Mathematics, and English from Grades 1 to 6. The activity sheets are supplementary worksheets that will support the learning modules for students in the public schools.

With the support of USAID (United States Agency for International Development) Small Project Assistance funds, US Peace Corps, DepEd - International Cooperation Office (DepEd ICO) and the DepEd - Bureau of Learning Delivery-Teaching and Learning Division (BLD-TLD) through the Multigrade Program Team, worked cooperatively and productively to ensure the smooth implementation of the writershop.

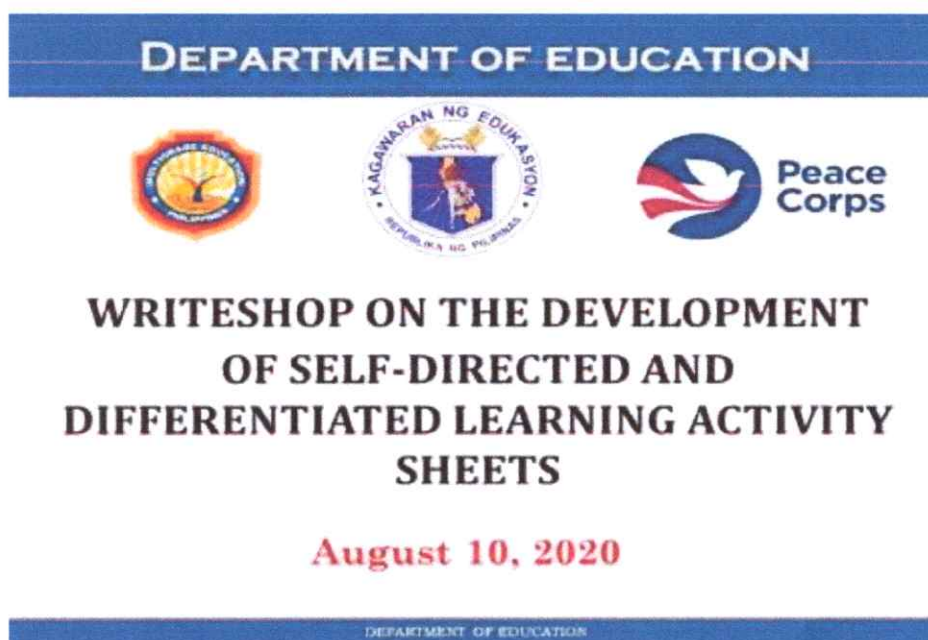

The Opening Program of this 8-day online writershop was participated in by the DepEd officials and US Peace representatives including Chief of BLD-TLD, Dr. Rose Villaneza; the Director of ICO, Dr. Margarita Ballesteros; the Director of BLD, Dr. Leila Areola; and the Director of Programming and Training of Peace Corps, Ms. Wendy Slee. Likewise, there were speakers from the Bureau of Curriculum Development (BCD) and the Bureau of Learning Resources (BLR) who shared with the participants important information about the new compressed curriculum to be used for this school year called Most Essential Learning Competencies (MELC) and DepEd’s quality assurance guidelines, especially on matters related to copyright and intellectual property rights.

The participants who came from different regions of the country were divided into groups and were assigned to specific learning area and grade level. Each participant developed six activities focused on developing at least two skills following the MELCs. All throughout the

writeshop, the participants actively worked on developing the learning activity sheets assigned to them, consistently ensuring that learning and development principles were properly applied. Moreover, participants were asked to ensure that the activities will be learner-friendly, especially to the students in far-flung areas and those who have very limited resources available. The participants remained committed and focused throughout the workshop – multitasking, staying up late to finish the activity sheets, and working through their connectivity issues – because they recognize the importance of their output in supporting students and teachers under this new normal.

The learning activity sheets will go through further review and revision, editing, validation, and quality assurance to ensure that the students will receive quality learning materials. Once the learning activity sheets are through with the rigorous evaluation process including the quality assurance process by the Bureau of Learning Resources of DepEd, they will be finalized and will be available for use to any public school in the country.

Below are the photo title of the Opening Program and the collage of participants' photos during the Closing Program:

Activity Objectives

This activity is a continuation of the above-mentioned writeshop. It will be conducted on September 09 – 11 and 14 – 18, 2020. It aims to develop additional supplementary learning resources that learners can engage in such as the individualized learning activity sheets that will give them additional support and opportunities to practice and master the knowledge and skills they learned from particular lessons. It specifically aims to:

1. capacitate the participants in the development of self-directed and differentiated learning activities;
2. develop self-directed and differentiated learning activities in English, Math and Science for Grades 1 to 6 (4th Grading period) aligned with the Most Essential Learning Competencies (MELCs);
3. review, quality assure, and finalize the materials; and
4. print and distribute the learning materials (soft copy and printed copy) to ROs and SDOs.

Methodology

This eight-day online writeshop will be facilitated by the Bureau of Learning Delivery (BLD) through the Multigrade Program Team of the Teaching and Learning Division (TLD) and US Peace Corps Team. The Key Officials from BLD-TLD and US Peace Corps will be invited during the Opening Program to give messages and directions for the writeshop.

To ensure full participation of all invited writers and reviewers, an e-Registration through Google Forms will be conducted to generate a profile of writeshop participants particularly contact information that will facilitate efficient coordination between and among writers, reviewers, and management staff during and after the writeshop.

Participants

The activity is expected to be participated in by the writers who were involved in the 1st writeshop of developing LAS for 3rd Quarter including regional and division offices supervisors, district supervisors, principals, school heads and teachers.

Expected Outputs

At the end of the writeshop, it is expected that all participants were able to develop the Learning Activity Sheets in English, Science, and Mathematics for 4th Quarter covering Grades 1 to 6 aligned with the MELCs. Upon the review of the BLR for quality assurance, the LAS will be finalized. Electronic copies of these materials will be shared to all Schools Division Offices. In addition, printed copies of the said LAS will also be provided to each Regional Office.

Activity Team

A. Department of Education

- James Bunga, Supervising Education Program Specialist, Department of Education – Bureau of Learning Delivery (DepEd-BLD)
- Rosalinda Serrano, Senior Education Program Specialist, DepEd-BLD
- Carmencita Aguas, Senior Education Program Specialist, DepEd-BLD
- Warren Quisada, Senior Education Program Specialist, DepEd-BLD
- Joselita Gulapa, Senior Education Program Specialist, DepEd-BLD

B. US Peace Corps

- Rowena Bernal, Program Manager for Education
- Ian Plata, Technical Staff for Education
- Lynn Vista, Technical Staff for Education
