SUBJECT: *Bayanihan 2: DepEd Survey on Private School Closures, Displaced
Personnel, and Affected Learners in SY 2020-2021*

DATE: 21 September 2020

In the newly ratified **Republic Act No. 11494**, also known as the *Bayanihan to Recover as One Act*, the government allotted Six Hundred Million Pesos (Php600,000,000.00) for subsidies and allowances for qualified students in public and private elementary, secondary, and tertiary education institutions, and Three Hundred Million Pesos (Php300,000,000.00) for subsidies and allowances for displaced teaching and non-teaching personnel, including part-time faculty, in private and public elementary, secondary, and tertiary education institutions. These shall be recovery interventions for learners and displaced personnel in the education sector who have been significantly affected by the COVID-19 pandemic.

This office, through the Government Assistance and Subsidies (GAS) team, Bureau of Human Resource and Organizational Development (BHROD), and the Planning Service (PS), is drafting implementing guidelines for the said provisions. Data and information shall be gathered using an online survey form to better inform policy development and resource allocation.

In view of this, all regional offices, through the Quality Assurance Divisions, are requested to disseminate the survey form to the private schools in their respective areas, and to monitor and ensure that they have responded to the survey. Of particular interest are the private schools that have given notice of closure. Some of the important details on the survey are as follows:

1. The survey will be conducted via Google Forms and can be accessed through this link: <https://bit.ly/depedbayanihan2>;
2. The respondents shall be private educational institutions offering basic education ONLY;
3. One response per private school (per school ID) ONLY; and
4. Deadline for submission is on **September 28, 2020, Monday**.
