Relative to memoranda DRRMS-11-06-2020-0002 and DRRMS-11-16-2020-0002 requesting for selected teachers to participate in a focus group discussion on teaching climate change and biodiversity, the Disaster Risk Reduction and Management Service (DRRMS) would like to provide the list of teachers who attended the focus group discussion on 17 November and 1 December 2020 in Annex A.

The participation of teachers in the focus group discussion was valuable in the on-going project on DepEd-Developed Learning Resources (DDLRs) that the DRRMS and its partners are undertaking.

The teachers are eligible to receive the certificate of participation which they can download at <https://bit.ly/2020CCAMCerts>. Likewise, we hope that you acknowledge the time they rendered under official business.
