Dear Sir:

HAPPY NEW YEAR!

This is to respectfully inform your good office that in relation to your evaluation results relative to our application to open a junior high school, it has been decided by the Board of Trustees in our meeting last December 29, 2020, that due to the pandemic we are still facing undeniably affecting private schools adversely, we will temporarily hold our desire to extend services to the high school students until the health situation gets better.

We will be reprocessing our application once the government declares permanently of a controlled health environment. Pushing our plans in this current situation that a new variant of COVID-19 is in our surrounding may seem unwise.

We wish to thank you for giving attention to our application then. Rest assured that we will comply those requirements you indicated in your evaluation checklist before we will refile another application.

Thank you very much.

More Power and Blessings! Keep Safe.

Respectfully yours,

MARIDETH M. LOPEZ, CPA MAED
