SUBJECT: Invitation to LDM Focal Persons for Case Study Scoping/Initial Scanning

DATE: 1 February 2021

- The National Educators Academy of the Philippines (NEAP), in partnership with FIT-Ed, is conducting a research evaluation through a case study and a series of surveys regarding the implementation of the Learning Delivery Modalities (LDM) I and II in Select Schools Division Offices (SDOs). The objective of the research is to assess the effectiveness of the course by looking at how the program was delivered and analyzing its learning outcomes. The survey will set school heads and teachers as the primary target respondents, while the case study will expand this list to include coaches and program implementers. The case study approach will be used to collect, document, and analyze the experiences of the participants who were involved in the design, management, and implementation of LDM.
- In line with that, **LDM focal persons** from selected SDOs are **invited** for the Case Study Scoping/Initial Scanning through a **Focus Group Discussion (FGD)** scheduled at 2:30 to 4:30 PM via Google Meet on the following dates:
