Dear Sir Fred, Ma'am Joy and Sir Rani,

Good morning greetings! We trust that you are all well and safe.

This email is to respectfully request Sir Fred and Ma'am Joy and Sir Rani for assistance to nominate 1 ALS Mobile Teacher in your respective area (Tacloban City and Palo, Leyte) to be considered as an ALS champion or a staff that exemplifies a good example of an ALS implementer in his/her work in ALS.

Last time Sir Marmon has requested for an ALS Completer and ALS District Coordinator for this information. This time, we need an ALS Mobile Teacher.

This is in line with promoting the good work being done in ALS programme and recognizing especially teachers who are considered making an impact in their work as ALS teachers for documentation purposes under the Better Life for Out-of-School Girls to Fight Against Poverty and Injustice in the Philippines Project.

We have prepared a template questionnaire for the mobile teacher to provide the information and once this is filled up, we will appreciate if you can collect it from the nominated teacher. Likewise, we would also request if this filled up questionnaire can be accompanied by 2-3 photos of the mobile teacher doing some actions while teaching or any activity related to ALS that she has done.

Please see the attached file for your perusal. We would greatly appreciate if the filled up questionnaire can be returned back to us by Friday this week, 5 February 2021, if it is possible.

Once again, UNESCO extends its sincere appreciation for your continued support and collaboration in working with the out-of-school girls in Region VIII.

Looking forward for your response.

With kind regards,
