Dear Dr. Uytico:

We have the pleasure of inviting you to participate in the World Robot Games (WRG) – Online Edition which is scheduled on 25th to 28th of March 2021.

Despite the adverse effects of the pandemic that halted many robot events, we understand that the creativity and passion of learners from all over the world towards robotics need to be continuously nourished and cultivated. The World Robot Games Committee has launched the WRG Online Edition as an online venue for coaches, students, and enthusiasts to showcase their abilities in this discipline, meet new friends, acquire new skills, and bring their robotics aptitude to a new level.

There are five games lined up for this online competition and a one-time registration fee of \$35/person. Scholarship and discount vouchers are available for application through the WRG Country Representatives. For more information, please check out the WRG website, www.worldrobotgames.com.

We look forward to seeing your teams in the competition. Cheers!

Sincerely,

The World Robot Games Committee
