SUBJECT : **Capacity Building in Science Communication of the Philippine  
Science High School for Grade 10 Learners**

DATE : March 24, 2021

The Philippine Science High School (PSHS) will be organizing a capability-building activity focusing on strengthening Science Communication. The activity will be for Grade 10 learners of PSHS and public and private schools throughout the country. The capability-building activity is part of a multi-phased project entitled "PisayCom" which will culminate in a nationwide Science Communication competition.

The capability-building program will have a resource speaker sharing expertise on expressing science concepts to layman's terms in a variety of media. There will be two (2) synchronous and eight (8) asynchronous sessions from April to June 2021.

The target participants are Grade 10 learners from the Regional Science High Schools, Legislated Science High Schools and Science, Technology and Engineering- (STE) Implementing Schools. Participation is free of charge but will be limited to 1,000 learners only. Those who will not be accommodated in the synchronous session may watch the session through FB Live. Interested learners may register at <http://bit.ly/RegisterPisayCom>. Registration will be on March 26- April 16 while the first synchronous session in on April 26.

For queries and concerns, please contact Mr. Rommel Ross Oba, Senior Science Research Specialist, Philippine Science High School at email [rrcoba@pshs.edu.ph](mailto:rrcoba@pshs.edu.ph) or at landline number 8939-0022.

Immediate dissemination of this Memorandum is desired.
