REGIONAL MEMORANDUM

No. **000277**, s. 2021

**ALLOCATION AND DEPLOYMENT OF NEW TEACHING POSITIONS FOR KINDERGARTEN
TO GRADE 12 FOR SCHOOL YEAR (SY) 2021-2022**

To: Schools Division Superintendents
All Others Concerned

1. In reference to DepEd Memorandum DM-PHROD-2021-0350 dated May 5, 2021 from Usec. Jesus L.R. Mateo, Undersecretary for Planning, Human Resource, and Organizational Development entitled "Approval of The Creation of New Teaching Positions for Kindergarten to Grade 12 For School Year (SY) 2021-2022", this Office, through the Policy Planning and Research Division (PPRD) hereby disseminates the attached Allocation and Deployment of New Teaching Positions of Kindergarten to Grade 12 for SY 2021-2022 to the concerned Schools Division Offices (SDOs) for information and appropriate action.

2. To ensure the immediate filling-up of these newly created teaching positions, the following processes shall be undertaken:

- A. The SDO Administrative Officer or the Administrative Office in coordination with the office of the Assistant Schools Division Superintendent (OASDS) or the Assistant Schools Division Superintendent (ASDS) shall commence with the recruitment and selection process based on the existing hiring guidelines to ensure the immediate filling-up of the newly-created positions, **effective August 1, 2021**.
- B. Using the SY 2020-2021 LIS/EBEIS enrollment data and the latest inventory of plantilla positions including the items created in FY 2020 for Kindergarten/Elementary Schools and Senior High School (SHS), the Division Planning Officer shall prepare the deployment report by school based on the attached allocation by legislative district/division. The following parameters shall be used in the computation of the requirements:

Level/Class	Standards	Remarks
Kindergarten	25 learners per class, maximum of 30 learners per session	1 teacher for 2 sessions

Multigrade Classes (MG)	Maximum of 25 learners consisting of 2 consecutive grade levels (Grades 1&2, Grades 3&4, and Grades 5&6)	1 teacher per class consisting of 2 consecutive grade levels or 3 teachers per MG schools
Grades 1-2	30 learners per class, maximum of 35 learners	1 teacher per class
Grade 3	30 learners per class, maximum of 35 learners	1 teacher per class
Grade 4	40 learners per class, maximum of 45 learners	1 teacher per class
Grade 5-10	40 learners per class, maximum of 45 learners	5 teachers for every 3 classes or 5:3 as per specialization factor
Grade 11-12	maximum of 40 learners per class	9 teachers for every 6 classes 9:6 as per specialization factor

- C. Prioritization in the items for Kinder/Elementary and SHS shall be based on the following:
1. newly-established integrated schools without existing nationally-funded teachers (i.e. schools with existing School ID number and have legal basis on its creation or establishment);
 2. schools with the highest Pupil/Student Teacher Ratio (P/STR);
 3. schools with an acute shortage of teachers;
 4. schools in far flung areas with teacher shortage; and
 5. multi-grade schools with less than three (3) teachers that covers Grades 1 to 6.
- D. Based on the above-mentioned prioritization of the items, the SDO-SGOD shall prepare the deployment report for DOST Scholars under RA10612 assigned to SHS and Regular items (based on shortage) who are assigned to Kinder/Elementary and SHS.
- E. The deployment report file is composed of nine (9) sheets as follows:
- a) Summary sheets (distribution of items by SDO and legislative districts);
 - b) Deployment report by school for JHS;
 - c) List of SPIMS beneficiaries for Kinder/Elementary and JHS (see column J-N for their school assignments);
 - d) List DOST scholar beneficiaries under RA No. 7687 (see column K-M for their school assignments);
 - e) List DOST scholar beneficiaries under RA No. 10612; and
 - f) Various templates to be utilized by the SDO-SGOD for the actual deployment report to be submitted to RO-PPRD.
- F. Since the creation of the items for JHS is school specific, deviation from the list of schools prepared by PS-PPD shall not be allowed, EXCEPT, for the main/mother school whose annex is in need of additional items. The school head is then instructed to share its allocation to the said annex school.

G. To equitably distribute the newly created teaching positions and address the issues raised in the deployment of items, adjustments were made in the deployment of beneficiaries under special hiring arrangements for SY 2021-2022:

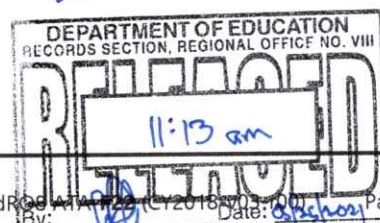

- For the items allocated for SPIMS beneficiaries in kinder/elementary levels, SDOs are now authorized to deviate from the prescribed deployment report and redeploy the beneficiaries to an elementary school with acute shortage of teachers; provided that a teacher needs analysis is conducted by the SDO based on the most recent enrollment data of schools. Provided further, that the beneficiary's new school assignment is within or in a nearby municipality where their residence is located. It should be ensured that the beneficiaries who will be redeployed shall be given a school assignment first before the items supposedly allocated for them are filled-up with other qualified applicants. It should be noted further that redeployment of identified beneficiaries for reasons that are not supported by the teachers needs analysis, shall not be allowed.
- For JHS, if there are mismatch in the specialization of the beneficiary vis-à-vis subject specialization requirement of the JHS, SDOs are now authorized to redeploy the SPIMS beneficiaries under RA No. 7687 to other junior high schools with vacant Teacher I positions where their subject specialization is needed, provided, that the beneficiary will be deployed within or in a nearby municipality where they reside. The newly created item originally allocated to the beneficiaries who may be redeployed to other schools may be filled by an eligible applicant with relevant subject specialization needed by the school, provided that the beneficiaries who will be redeployed shall be given a school assignment first before the items supposedly allocated for them are filled-up with other qualified applicants. It should be noted further that redeployment of identified beneficiaries for reasons that are not supported by the teacher needs analysis, e.g., replacing the beneficiary in favor of other appointees or transferees, shall not be allowed.
- Deployment report for SHS shall be prepared by SDO-SGOD. Please note that all Special Science Teacher (SST) I positions (SG 13) are allocated for RA No. 10612 scholars only. In the preparation of the deployment report and pursuant to the provisions of RA No. 10612 which states that they should be assigned to their home provinces, the home address of the scholar graduate beneficiary shall be considered. Additionally, effective SY 2021-2022, SDOs are only allowed to convert Teacher II positions into Teacher I. Furthermore, all SHS positions shall be lodged at the SDO in order to provide SDOs the flexibility to place and transfer an incumbent teacher from one school to another based on the teacher needs analysis. Likewise, the incumbent maybe assigned to handle a cluster of schools, especially if the enrolment of the school is no longer within the set standards.

H. The full 9,707 teaching items have been requested for creation from the DBM, thus the NOSCA that will be issued by DBM-RO already includes all the items for the special groups (RA 10612 and RA 7687 scholars, and SPIMS beneficiaries). Please note that

beneficiaries under the special hiring arrangements shall no longer undergo the regular hiring process; however, they shall be assessed through interview and demonstration teaching for purposes of identifying training needs, if any.

- I. All beneficiaries are given until December 31, 2021 to report to the SDO for the processing of their appointment papers. If the beneficiary is unable to report to the SDO for appointment for any reason that may result in non-utilization of allocated items by the end of the school year, SDOs may request from the CO to fill up the unfilled items with eligible applicants from the Registry of Qualified Applicants (RQA). The request shall be supported by a waiver or other equivalent means of verification. In the event that the SDO are unable to contact the beneficiaries within the time period, SDOs are likewise given authority to fill-up the allocated items with other eligible applicants.
3. The SDO-SGOD shall check for any discrepancies from the number of items created by DBM-RO vis-à-vis the deployment report, if there is any, SDO-SGOD shall identify the school and submit the list to RO-PPRD together with the legal bases on the establishment of the school. Please note that the schools not issued with NOSCA last year are due to non-existence of the schools in GAA or organizational code for the Unified Account Code Structure (UACS) of the DBM.
4. In preparing the submission of actual deployment of items, the SDO-SGOD Chief shall review and ensure the vetting of the deployment report by the SDS before submitting the scanned copy of the excel file version to RO-PPRD for consolidation.
5. The FY 2021 accomplishment of the ROs/SDOs in terms of filling-up of items will be monitored through the Program Management Information System (PMIS). Hence, Administrative Officer of the SDOs shall immediately access the system at pmis.gov.ph once the SDS has signed the appointment paper of the newly-hired teacher.
6. SDOs are also reminded on the monthly updating of the Personal Services Itemization and Plantilla of Personnel (PSIPOP) based on issued appointments pursuant to National Budget Circular (NBC) No. 549 dated October 13, 2013.
7. Soft copies of the enclosures will be sent to the email accounts of the Division Planning Officers.
8. Immediate dissemination of and strict compliance with this Memorandum are desired.
