Subject: **ADDENDUM TO THE MEMORANDUM ON THE APPLICATION OF FIELD OFFICES AND SCHOOL PERSONNEL FOR PNPKI DIGITAL CERTIFICATES**

The Commission on Election's (COMELEC) *Policy Guidelines on the Implementation of Digital Certificate for the 2022 National and Local Elections and Bangsamoro Autonomous Region of Muslim Mindanao Elections* requires the use of digital signatures for personnel who will serve in the May 2022 National and Local Elections to ensure transparency and credibility.

In relation to this, the Office of the Undersecretary for Administration (OUA) releases this addendum to OUA Memo 00-0721-0129 *Application of field offices and school personnel for PNPKI digital signature* released on 16 July 2021.

The Department of Information and Communications Technology (DICT) has extended their full support by allowing DepEd to process the application for digital certificates through bulk registration and has waived the submission of requirements that are otherwise too taxing to provide, considering that DepEd personnel who will serve in the election **must have digital certificates on or before the 30th of September 2021**.

For the prioritization list in the processing of applications and composition of the PNPKI Team, please refer to **Annex A**.

For the steps and details on the application process, refer to **Annex B**.
