Webinar on Science Writing for Elementary Pupils of the Philippine Science High School (PSHS)

The **Philippine Science High School (PSHS)** announces the conduct of **Webinar on Science Writing for Elementary Pupils**. This webinar is in line with the endeavor of PSHS to capacitate our youth in science communication skills – especially the younger ones.

The Webinar is free of charge and will be held virtually on 03 August 2021 from 10:00AM to 12:00NN. Interested Grade 5 and 6 learners (SY 2020-2021) may register at bit.ly/PisayComReg_ElemWebinar to participate. Elementary Science and English teachers, as well as campus journalism advisers/ coaches are also invited to attend. There is no limit in the number of participants coming from each school.

Registered student-participants who will be answering the pre- and post-test, as well as the webinar evaluation will receive a Certificate of Participation. Registered teacher-attendees who will answer and submit the webinar evaluation will receive a Certificate of Attendance.

For queries and concerns, please contact Mr. Rommell Ross Oba, Senior Science Research Specialist, Philippine Science High School System at rrocoba@pshs.edu.ph & rpada.oed@pshs.edu.ph or at landline number 8939-0022/ 8939-7747 local 302.

PisayCom Form 3. Consent form for publishing and posting of photos and videos, and submitted entries on social media and official websites

Philippine Science High School (PSHS) is conducting its PisayCom Science Communication Competition from **July 14 to September 15, 2021**. All submitted entries, as well as photos and videos that might be taken during the virtual program are planned to be posted and used for:

- Determination of the special award – **Netizen's Choice Award**
- Promotion of the event and of PSHS, and
- Presentation of journalistic content to promote science communication.

These may be posted on its official websites and social media accounts such as:

Facebook <https://www.facebook.com/Philippine-Science-High-School-System/>
Websites <http://www.pshs.edu.ph/>

Submitted entries are also planned to be **published** and used for:

- Promotion of PSHS and future events, and
- Presentation of journalistic content to promote science communication.

Please take note that your submitted entries may include your personal information which we will be uploading or posting on said social media accounts and websites or published in the future. The submitted entries may be viewed not only by people connected with PSHS but of the general public which may be throughout the world.

Limitations of Use:

- PSHS will not be using the submitted entries for other purpose other than the ones mentioned above.
- On the other hand, students' school affiliation may be identified in the posting.

Do you give permission to use the submitted entries by your child in line with PisayCom: Science Communication Competition for publishing in print and posting/ uploading on PSHS websites and social media accounts?
