Dear **RD Ledesma**, good afternoon!

The Global School Leaders (GSL) has reached out to PBSP to help disseminate their invitation to school leaders to participate in a global survey to help understand the challenges, concerns, and the way forward for the school leaders from the Covid-19 pandemic. Since the impact of Covid-19 continues, GSL and its partners strongly feel that it is important to reach out to school leaders to understand their general concerns as well as specific challenges related to school reopening and the mental health of school leaders, teachers, and students.

Thus GSL, through PBSP, invites DepEd Region VIII's school leaders/principals/head teachers in your SDOs to participate in the survey. The responses will be crucial in informing a global discussion on supporting schools through the coming school year.

The survey is available in English, Bahasa Indonesia, Bahasa Malaysia, Portuguese, and Spanish. The survey link is: <https://bit.ly/3qxSBK2>

The survey will be open till July 16th and we will be sharing the preliminary results with you by the first week of August. Please feel free to reach out to us or to **Animesh Priya** (animesh@globalschoolleaders.org) directly with any questions you may have about the survey. I have also attached an info card where the survey link can also be accessed.

We hope your school leaders would be able to participate in this survey. Thank you in advance.

Sincerely,

--

Pearl
