Greetings!

The Association of Christian Schools International (ACSI) Philippines will have its CONVERGE 2021 event, an annual fellowship among its member schools as well as its invited non-member schools on September 4, 2021, at 9:30 AM via Zoom.

Converge 2021 aims to gather school leaders to promote unity and sense of affiliation, to get to know new leaders or those new in school leadership positions, and to share to our member schools our strategic initiatives and directions for School Year 2021-2022.

Gracing this special event is ACSI Director of Strategic Development for Asia, Mr. Tom Hardeman. He will be speaking on a topic which is close to the hearts of school leaders. In addition, Department of Education Chair of Curriculum Development, Director Jocelyn Andaya, will also be sharing with us some updates and initiatives that are significant to the private schools.

In view of this, we would like to seek the endorsement from your good office regarding this event and we hope that this letter of invitation will be shared to all private schools in your region. Attached is our poster with the details.

We look forward to your support and positive response to this request as we help educational leaders unite, show resilience, and prepare for a stronger and more productive school year. Should you have more questions about this event, we may be reached at 09205478714.

Blessings!

Very truly yours,
