Dear Ma'am Gemma,

Good day!

City Savings Bank has always been at the forefront of developing stronger partnerships and linkages with our external stakeholders through our various Corporate Social Responsibility (CSR) interventions. CSR is an integral part of how we do business and is aligned to the bank's advocacy to give back to the communities where we operate.

With our continuing efforts to look after the welfare of Filipino public school teachers, we would like to celebrate National Teachers' Month and Breast Cancer Awareness Month with **Project Pink: Breast Cancer Awareness Program** scheduled on **October 01 (Friday)**, 10:00 - 12:00 nn via Zoom. This webinar aims to educate and raise awareness among public school teachers on prevention and early breast cancer detection in order to reduce the risk of breast cancer cases among women or even men.

In line with this, we would like to request your assistance to extend this invitation to public school teachers. We are looking at a **maximum of 100 teachers** from your region for this initiative. Please submit your list of pax with their email addresses by September 27.

Should you have any questions and/or clarification, please do not hesitate to contact the Regional Business Head of City Savings Bank for Eastern Visayas at 0917-311-2779 or email him at adrian.ruiz@citysavings.com.ph.

We are looking forward to your positive response and support on this health advocacy on breast cancer awareness.

Yours sincerely,

ADRIAN G. RUIZ
Regional Business Head for Eastern Visayas
