REGIONAL MEMORANDUM

No. **000525**, s. 2021

**RESCHEDULING OF THE TRAINING FOR NON-MAJOR SCIENCE TEACHERS ON
CONTENT AND PEDAGOGY BY THE DEPARTMENT OF SCIENCE AND TECHNOLOGY
SCIENCE EDUCATION INSTITUTE**

To: Schools Division Superintendents
School Heads
All Others Concerned

1. In reference to the attached letter from the Department of Science and Technology - Science Education Institute (DOST-SEI) and the Regional Memorandum No. 495, s. 2021, this Office announces the rescheduling of the Training for Non-Major Science Teachers on Content and Pedagogy to October 4 - 8, 2021 and hereby requires the attendance of the identified Region VIII Official Participants.
2. For more information, refer to the attachments.
3. Immediate dissemination of and compliance with this Memorandum are desired.

MA. GEMMA MERCADO LEDESMA

Attention: **Dr. Ryan Tiu**
Regional Science Supervisor
DepEd RO VIII

Dear **Dr. Ledesma**:

This pertains to our initial communication dated August 23, 2021 regarding the upcoming training for Grade 8 non-physics major science teachers under project, *Training for Non-Major Science Teachers on Content and Pedagogy*. DOST-SEI is one with the academic community in finding ways to help our teachers in this trying time. With this, in consideration of the DepEd's calendar of activities for the School Year 2021-2022, particularly the opening of classes on September 13, 2021, the training will be rescheduled from September 20 to 24, 2021 to **October 4 to 8, 2021**.

All other details and activities of the training stated in the previous communication still remain. We will be waiting for the accomplished Participant's Information Request Form to start the mailing of modules to the teachers.

Further, to inspire and motivate the teachers, may we invite you to deliver a **message** during the **Closing Program on October 8, 2021, 4:00pm via Zoom**. May we also invite **Dr. Ryan Tiu**, Regional Science Supervisor, to observe the activities and meet the participants anytime within the training schedule. Zoom link will be sent to your respective emails 30 minutes before the start of each synchronous sessions.

Should you have further query, please do not hesitate to contact our staff, Mr. Michael C. Telesforo (Mike) at telephone number 8583-4914; mobile number 0977 3342 469; or at email address seid.trainingunit@gmail.com

Thank you and we look forward to your usual support.

Very truly yours,

JOSETTE T. BIYO, Ph.D.
Director

MA. GEMMA M. LEDESMA
 Regional Director
 Department of Education
 Regional Office No. VIII
 Government Center, Candahug, Palo, Leyte 6501

Attention: Ms. Sarah Cabaluna
 Regional Science Supervisor
 DepEd RO VIII

Dear **MS. LEDESMA**:

The Science Education Institute of the Department of Science and Technology (DOST-SEI) is implementing the project, *Training for Non-Major Science Teachers on Content and Pedagogy* which aims to enhance the content mastery and improve the pedagogical skills of teachers. The project contributes to the mandate of DOST-SEI of developing a critical mass of science and mathematics teachers in the country, which we hope will eventually translate to improved performance of our students.

This year, we are pleased to invite teachers from Region VIII to participate in the said training which will be delivered online, since face-to-face activities are not possible at the moment due to the current pandemic situation. The online training will run for five (5) days from **September 20 to 24, 2021** and broken down as follows:

- Three days of synchronous (online) sessions at two sessions per day scheduled at 9:00am – 12:00nn and 2:00pm – 5:00pm; and
- Two days of asynchronous (offline) sessions for preparation and enrichment activities with the Resource Persons

In this regard, may we request assistance from your office in the identification of (50) participants and issuance of a DepEd Memo or advisory for their participation. Participants to the training should be:

- a. non-Physics major;
- b. currently teaching Physics in Grade 8;
- c. already in service for at most 5 years; and
- d. with stable/reliable access to the internet

Registration for the training is free and certificate of completion will be provided.

Prior to the training, we will be sending each of the identified participants a hard copy of the *Teaching Modules for Grade 8. Force, Motion, and Energy*. In view of these preliminary activity, may we have the contact information of the fifty (50) participants on or **before September 2, 2021**? Rest assured that all information being asked will be treated with confidentiality and will be used only for training and reference purposes.

Enclosed is the information request form for your perusal. Our staff, Mr. Michael C. Telesforo (Mike) will be coordinating with you regarding this request. Should you have further query, please do not hesitate to contact him at telephone number 8583-4914, mobile number 0977 3342 469, or at email address

Thank you and we look forward to your usual support

Very truly yours,

JOSETTE T. BIYO, Ph.D.
Director
