Alternative Learning System Program and Task Force

SUBJECT : TS-ALS 2.0 Presentation of Monitoring Results

DATE : October 11, 2021

This is in regard to the recently concluded pilot utilization of the ALSware Teaching and Learning Resource Package and Learning Action Cell (LAC) Resource Package for the Alternative Learning System (ALS) on Mobile Technology for Teachers (MT4T). These resources were developed and distributed to ALS implementers under the Technical Support to Alternative Learning System 2.0 Program led by the Department of Education ALS Task Force and supported by UNICEF Philippines and SEAMEO INNOTECH.

Monitoring of the pilot use of the aforesaid teaching and learning resources were conducted in August 2021.

Please be informed that this Office, through the ALS Task Force, and the SEAMEO-INNOTECH will conduct an online forum/meeting (via Zoom) with select ALS implementors on 18 October 2021, 10:00 am – 2:00 pm, to present the monitoring results, and gather information on the experiences and challenges and recommendations of ALS implementors from the pilot sites to enhance the draft of monitoring report.

In line with this, we would like to invite the *Regional ALS Focal Persons, Division ALS Focal Person/s and CLC Managers* of the ALSware package CLC recipients, and the *trainers/facilitators* of the MT4T-ALS LAC materials (see attached). We would appreciate receiving confirmation of their participation on or before October 14, 2021. A meeting link will be sent prior to the activity.

For any queries, kindly email Ms. Katherine Torralba of SEAMEO INNOTECH through email at katherine@seameo-innotech.org or Ms. Jenelyn Baylon of the ALS Task Force at jenelyn.baylon@deped.gov.ph

Thank you very much. We look forward to your continued support in programs and projects for ALS.

Presentation of Monitoring Results re: Pilot Utilization of the ALS MT4T LAC Resource Package and the ALSware Package

18 October 2021
10:00 AM – 2:00 PM
Via Zoom

BACKGROUND

In recent months, a select group of ALS implementers participated in the pilot utilization and corresponding monitoring activity of two resource packages produced and distributed under the **Technical Support to Alternative Learning System 2.0 (TS-ALS 2.0) Project**. These are the ALSware Teaching and Learning Resource Package and the LAC Resource Package on Mobile Technology for Teachers (MT4T) and its Digital Resources for ALS.

The ALSware is a set of materials curated specifically for use by ALS teachers and learners to facilitate effective delivery of DepEd ALS learning programs. The ALSware package was provided to thirty (30) community learning centers from the Schools Divisions of Angeles City, Samar, Northern Samar, Zamboanga del Norte, Zamboanga City and Cagayan de Oro City. The pilot utilization of this resource package ran from June 9 to August 6, 2021, and survey forms were accomplished as part of the progress monitoring held from August 10 to 13, 2021.

On the other hand, the ALS-MT4T LAC Resource Package contains a two-part series of LAC session guides, drawn mostly from the MT4T Resource Kit, designed as a guide for ALS teachers as they facilitate the lessons on Digital Citizenship for ALS learners under ALS Learning Strand 6. The pilot utilization of the ALS-MT4T LAC Resource Package was intended for the 99 ALS key trainers from the 17 Regional Offices. The activity was conducted from July 1 to August 13, 2021, and the progress monitoring through an online survey and reporting, was completed from August 16 to 20, 2021.

Following these, monitoring reports on the pilot utilization of the ALSware and the ALS-MT4T LAC Resource Packages were prepared by SEAMEO INNOTECH. As agreed during the last tripartite meeting held in August 2021, these two (2) monitoring reports will be presented to the ALS Task Force, select ALS implementers and UNICEF in a meeting in October 2021.

OBJECTIVES

The presentation of monitoring results from the pilot utilization of the ALSware and ALS-MT4T LAC Resources intends to:

- discuss the monitoring results to the key stakeholders, pilot implementers, and decision-makers from the Department of Education and UNICEF;
- present the initial recommendations based on monitoring results for comment and appropriate action of the DepEd-ALS Task Force and UNICEF;
- seek agreements with DepEd and UNICEF on the final recommendations.
