Dear Dir. Fetalvero :

The Philippine Science Heritage Center (PSHC), a premier science center in the country under the management of the National Academy of Science and Technology, Philippines (NAST PHL), is mandated by Republic Act No. 9107 to serve as the main repository of the achievements and contributions of Filipino scientists in science and technology. In celebration of the 2021 National Science and Technology Week (NSTW), PSHC will be conducting a **Meet Your Scientists: Rocking with Earth Science** on **25 November 2021, Thursday, 3:00 PM, via Zoom.**

**Meet Your Scientists (MYS)** program aims to promote S&T to the youth and the general public. In this activity, renowned Filipino scientists are invited to share their knowledge and experiences on the chosen topic. It also serves as a platform to encourage the youth to pursue a career path on Science, Technology, Engineering, and Mathematics (STEM), increase awareness of the young minds on the given topic, and celebrate the contribution and knowledge of the Filipino scientists.

May we request for your assistance in disseminating this information to the teachers and students under your supervision? Interested participants may register at <https://bit.ly/MYSEarthScience>. Attached herewith is the program of activities.
