SUBJECT : CONDUCT OF ONLINE FOCUSED GROUP DISCUSSION WITH ALS
TEACHERS AND LEARNERS

DATE : December 6, 2021

The Bureau of Alternative Education (BAE) in partnership with United Nations Children's Fund (UNICEF) - Philippines, through the Center for Integrated STEM Education in the Philippines (CISTEM), will conduct a Stem Up to Step Up Programme for ALS implementers. This program aims to boost the growth, mindset, and employability of ALS learners through integrated STEM Education. This project includes ALS module and resource enhancement, capacity-building for ALS teachers, and building a supportive relationship with the community stakeholders to facilitate the integration and application of STEM-oriented pedagogies and socio-emotional learning in the new ALS curriculum.

As part of the preparation, an **online Focused Group Discussion (FGD) with ALS Teachers and Learners** will be conducted on December 16, 2021 (*for learners*) and December 17, 2021 (*for ALS teachers and ALS Core of Trainers*) to gather inputs in designing the workshop based on needs and context of our ALS teachers and learners.

In this connection, may we request the Regional ALS Focal Persons in your regions to identify and submit list of participants for the said activity (*see attached forms*) on or before December 8, 2021, though email at mery.oriarte@deped.gov.ph.

Meeting link(s) and other instructions for the said activity shall be communicated to the participants' respective email address.
