The Department of Education, through the Bureau of Human Resource and Organizational Development - Human Resource Development Division (BHROD-HRDD), has been preparing for FY 2021 National Qualifying Examination for School Heads (NQESH) scheduled in March 2022.

Working closely with the Philippine Normal University (PNU), it has ensured that the test items for the examination are aligned with the Philippine Professional Standards for School Heads (PPSSH) to truly gauge the competencies required of School Heads. Part of the test items development is to have it validated by incumbent principals.

Relative to this, **we would like to seek assistance from your office in ensuring that the test validation will be successfully conducted through the following:**

1. Identification and participation of Principals I and II who will serve as validators in the validation activities for the test items for the 2021 NQESH. They should meet the criteria below and participant requirements and validation schedule (see Annex A).
2. Designation of a Regional Office Coordinator to serve as counterpart of BHROD and PNU during the validation activities. Their roles and responsibilities are enumerated below.
3. Ensure that the validation activities will be conducted in compliance with IATF rules and regulations, and minimum health and safety protocols in connection with the ongoing pandemic.

Participants per region should be a combination of male and female principals representing both elementary and high schools, regardless of age, sexual orientation/gender identity,
