ETCOR Memorandum No. 3, s. 2022

DATE : January 14, 2022
TO : ETCOR's Research Consultants and all others concerned
FROM : Dr. Julie S. Berame, Event Chairperson
SUBJECT : 1st International Multidisciplinary Virtual Research Conference 2022

Dear ETCOR Research Consultants and all others concerned,

ETCOR Educational Research Center (Philippines), in collaboration with the Philippine Nurses Association – Hail Region Chapter (Kingdom of Saudi Arabia), the Mirwais Neeka Institute of Higher Education (Afghanistan), and the Mabalacat City College, Pampanga (Philippines), will conduct its "**1st International Multidisciplinary Virtual Research Conference**" on **June 24-26, 2022, Friday to Sunday**. The theme of the event is "**Embracing Innovative and Multidisciplinary Researches in the New Normal**".

A. Aim

ETCOR's *1st International Multidisciplinary Virtual Research Conference* is part of the research center's mission to bring the benefits among faculty, researchers, and scientists, including the sharing of ideas and best practices across disciplines. The event aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of education, health, digitalization, and sustainability. It also provides a premier multidisciplinary platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns, as well as practical challenges encountered and solutions adopted in the fields of education, health, digitalization, and sustainability.

B. Beneficiary

The *Bahay Pag-ibig Home for the Aged (Bahay Pag-ibig)* has been selected as a beneficiary of ETCOR's 1st International Multidisciplinary Virtual Research Conference. It is a home for elderlies – old men and women - located at the Holy Angel Village, Barangay Telabastagan, City of San Fernando, Pampanga, Philippines. Waived discounts of the participants from ETCOR and its partner-organizations/institutions shall be donated to the *Bahay Pag-ibig*. Additionally, to ensure that the said beneficiary is given priority, an amount of Ten thousand pesos (PHP 10,000) [USD200] was already donated in advance by ETCOR to the *Bahay Pag-ibig* to help the latter in its expenses, specifically during this time of pandemic. Said amount shall be deducted from the would be waived discounts specifically allotted for the said beneficiary.

C. Call for Contributions

Prospective authors are encouraged to contribute to, and help, shape the conference through submissions of their research abstracts. Also, high quality research contributions describing original and unpublished results of conceptual, constructive, empirical, experimental, or theoretical work in all areas of education, digitalization and sustainability are cordially invited for presentation at the conference. The conference solicits contributions of abstracts that address themes and topics of the conference, including figures, tables and references of novel research materials.

D. Guidelines and Instructions for Authors

Before the submission of abstract entry, all concerned are enjoined to follow the guidelines and instructions as follow:

Abstract Format / Structure

Title: The title should not exceed 18 words and should be set in title case. The title should be concise, specific, and easily comprehensible to readers. First letter of the substantive words in the title are in upper case (Font size is 14; single space).

Authors: All persons who qualify for authorship should be listed as authors. However, the corresponding author must ensure that each author listed has substantially contributed or participated sufficiently in the work and is responsible for that particular portion of the manuscript. (Single space)

- Last name and first name (Font size is 12 with subscript; only first letter in the name should be capitalized)
- Complete affiliation, along with the country (Font size is 12; only first letter of the word should be capitalized)
- E-mail address (mandatory for the corresponding author) (Font size is 12; Italic)

Abstract Contents (*Introduction, Aim, Methodology, Results, Conclusion*): The abstract should not be less than 250 words and shall not exceed 300 words without sub-heading such as *Aim, methodology (research design, sampling technique, number of respondents/ subjects, instrumentation, treatment of data), results / findings, and conclusion*. It should provide a clear description of the objective(s) of the study, demonstrate the methodology used, and summarize the study's prime conclusion(s). In the end, a statement regarding the study's significance to a potentially wider audience should be advised. Do not indent. (Single space)

Keywords: Authors can provide 5 to 7 keywords. The first letter of word should only be upper case, the succeeding keywords should be all in lower case, and keywords should be separated by a comma (,).

Ethical Guidelines

- For manuscripts reporting medical studies that involve human or animal subjects, the ethics committee that approved the study must be identified in the manuscript. For studies involving human subjects, all work must conform to the recognized standards as per the Institution Ethics Review Committee. In case of any experiments involving animals, authors must provide a declaration that all measures were taken to avoid animal suffering at each stage and also must furnish a detailed description of the procedures used.

All concerned are advised to ensure that their submission meets the conference's strict guidelines for accepting scholarly papers.

E. Conference Proceedings

All submitted conference abstracts will be blind peer reviewed by three competent reviewers.
