OFFICE MEMORANDUM

No. **0 9 5** , s. 2022

To: Schools Division Superintendent
        Division of Tacloban City
        All Others Concerned

PARTICIPATION TO THE ONLINE CONDUCT OF THE PILOT IMPLEMENTATION OF THE E-FIELD TRIP THROUGH BUILD AND EXPLORE IN MINECRAFT: EDUCATION EDITION PROJECT

1.   Pursuant to DepEd Memorandum DM-OUCI-2022-036 dated February 4, 2022, this Office, through the Curriculum and Learning Management Division (CLMD), hereby directs the concerned schools' division to closely monitor the attendance of the respective participants to the **Conduct of the Pilot Implementation of the E-Field Trip through Build and Explore in Minecraft: Education Project** on February 23-24, 2022, March 4, 11, & 18, 2022.

2.   Below is the list of participants to the activity.

| Name	Designation	School
1. Almer H. Bugal	Master Teacher 1 - ICT	LNHS- SHS
2. Gemm Vincent Y. Jadaone	Student	LNHS-SHS
3. Vhien Daniel C. Olmida	Student	LNHS-SHS
4. Shaun Rey P. Rostata	Student	LNHS-SHS
5. John Angel C. Yape	Student	LNHS-SHS
6. Ma. Gwyneth O. Libres	Student	LNHS-SHS
7. John Paul E. Paquibot	Student	LNHS-SHS
8. Ace O. Valen	Student	LNHS-SHS
9. Cris C. Cuizon	Student	LNHS-SHS
10. Christian Delantar	Student	LNHS-SHS
11 Marc Justine M. Baqueros	Student	LNHS-SHS

3.   Other details relative to the activity are stipulated in the above-mentioned Memorandum.

4.   Should there be queries, Dr. Dandy G. Acuin, EPS, CLMD, Regional Focal Person may be reached at 09177009519.

5.   Immediate dissemination of and compliance with this Memorandum are desired.

MEMORANDUM
DM-OUCI-2022- 036

FEB 2022

TO: **Regional Directors**
Minister, Basic, Higher and Technical Education,
BARMM

FROM: **DIOSDADO M. SAN ANTONIO**
Undersecretary

SUBJECT: **CONDUCT OF THE PILOT IMPLEMENTATION OF THE E-FIELD TRIP THROUGH BUILD AND EXPLORE IN MINECRAFT: EDUCATION EDITION PROJECT**

DATE: 04 February 2022

The Department of Education, through the Bureau of Learning Delivery-Teaching and Learning Division (BLD-TLD), will conduct the pilot implementation of the **E-Field Trip through Build and Explore in Minecraft: Education Edition Project** in partnership with Microsoft Philippines and FELTA on the selected dates from February to June 2022 for SY 2021-2022. (Please see Attachment A for specific dates of conduct).

In this project, teachers and learners will learn how to build and explore "Minecraft Worlds" that will focus on eight (8) historical places in the country which are Manila, Bulacan, Cavite, Leyte, Corregidor, Bataan, Vigan, and Cebu. In relation to this endeavor, the Balik Kasaysayan Program's developed materials will be the main reference. The Balik Kasaysayan Program is a sub-program under the K to 12 Basic Education Program which the BLD-TLD has been implementing since 2017.

The e-field trip will serve the following purposes:
- To provide firsthand experience to learners on exploring and building "Minecraft Worlds" which consists of eight places in the Philippines;
- To stimulate learners' interest, motivation, and critical thinking in learning Philippine history;
- To serve as an additional learning resource in teaching Araling Panlipunan;
- To promote Filipino nationalism, patriotism, and Filipino values; and
- To strengthen observation and perception skills of learners.

This project will give way to innovative, creative, engaging, and exciting virtual tours for the learners as they learn about the stories of their country in this time of pandemic where activities such as physical field trips are highly discouraged.

At the end of the project, educators and learners are expected to:

- appreciate Philippine historical landmarks and the stories behind them through an online platform;
- enrich skills and value the use of the various educational tools such as Minecraft Education Edition in the teaching and learning process; and
- recognize the importance of strategically implementing ICT integration and/or gamification in teaching and learning process depending on the skills that can be developed, interest, and needs of the learners.

To successfully pilot the implementation of this project, Regional Offices are requested to identify school/s that has the following requirements:

- implementing face to face classes; and
- has an ICT laboratory that has strong internet connectivity.

In case of non-availability of any of the requirements above, we would like to request each region to identify learners who have personal computer or laptop that can run MINECRAFT EDUCATION EDITION and MICROSOFT TEAMS and has strong internet connection at home. (Please see Attachment C for the minimum requirements of computer/laptop specifications to run the software and the required internet speed).

Kindly submit the list of participants using Attachment B on or before February 14, 2022 through the email indicated below. Please make sure that the number and grade level of learners and teachers that will be identified corresponds to what is assigned to the region. (Please see Attachment A for the required number and grade level/s of learners and teachers from your region).

Further, we would like to request for a regional point person who may assist in the submission of the list of names and communication with participants.

For questions and/or clarifications related to the conduct of the project, please contact Ms. Anna Lourdes A. Falcon via e-mail at anna.abad@deped.gov.ph or bld.tld@deped.gov.ph or call landline no. (02)86374899.

Attachment C

Minecraft App Hardware Requirements

Hardward	Required Specification
CPU	Intel Core i3-3210 3.2 GHz
	AMD A8-7600 APU3.1 GHz or equivalent
RAM	2 GB
GPU	Integrated: Intel HD Graphics 4000 (Ivy Bridge) or AMD Radeon R5 series (Kaveri line) with OpenGL 4.4
	Discreet: Nvidia GeForce 400 Series or AMD Radeon HD 7000 series with OpenGL 4.4
HDD	Minimum of 1 GB for game core, maps, and other files

Microsoft Teams App Hardware Requirements

Component	Windows Requirement	Mac Requirement
Computer and processor	Minimum 1.6 GHz (or higher) (32-bit or 64-bit).	Minimum Intel processor, Core 2 Duo or higher
Memory	4.0 GB RAM	2.0 GB RAM
Hard disk	3.0 GB of available disk space	1.5 GB of available disk space
Display	1024 x 768 screen resolution	1280 x 800 or higher resolution
Graphics hardware	Minimum of 128 MB graphics memory	
Operating system	Windows 10, or Windows 8.1 in 32-bit and 64-bit. For the best experience, use the latest version of your operating system.	Mac OS X 10.11 El Capitan or later
Video	USB 2.0 video camera	
Devices	Standard device camera, microphone, and speakers	
Video calls and meetings	For a better experience with video calls and online meetings, we recommend using a computer that has a 2.0 GHz processor and 4.0 GB RAM (or higher).

IMPORTANT REMINDERS

1. Make sure you have downloaded your MS Teams and Minecraft Education Edition in your device.

* To download you MS Team, simply click/use these links according to the device you are using:

a. Windows (https://tinyurl.com/4ffmkk78)

b. Chromebook (https://tinyurl.com/3f5xtbde)

c. Mac (https://tinyurl.com/yck5p7s9)

d. Mobile phone (https://tinyurl.com/3f5xtbde)

*To download your Minecraft: Education Edition Software simply click/use these links according to the device you are using:

a. Windows (https://aka.ms/downloadmee-desktopApp)

b. Chromebook (https://aka.ms/mee-chromebook-download)

c. Mac (https://aka.ms/meeclientmacos)

2. Make sure you are logged in to your MS Teams and M:EE using your MS365 account provided by the organizers.

3. Make sure that you are connected to a stable internet connection.

(https://www.speedtest.net/)

4. Be prepared. Please make sure that your microphone and camera are working properly

5. Attend

* Come to schedule as much as you can. If you have issues that stop you from attending, inform your facilitator immediately.

*Join Early. Log in a few minutes before the schedule.

6. Participate. Unmute yourself or write in the chat box if you want to say something. Mute yourself when somebody is talking and utilized the raise hand button if you want to be recognized.

7. Focus. Be attentive and enjoy the whole sessions.
