CCP GROUNDS ON MARCH 11, 2022, 6 PM

DATE : March 3, 2022

The Cultural Center of the Philippines (CCP), through its Office of the President, will be holding its first live musical concert, featuring the world-renowned Philippine Philharmonic Orchestra (PPO). The concert entitled *PPO Concert at the CCP Grounds*, brings back the well-loved pieces from the PPO repertoire that have enchanted audiences from all over the world. This special concert is part of "Sining Handog", one of CCP Office of the President's major programs which aims to showcase world-class productions to many Filipinos. This event also signals the start of the CCP's transition towards reopening its doors and bringing back live performances.

Aside from the PPO, the concert will also feature performances from some of the most admired and respected artists in the country today, including Lara Maigue, Bo Cerrudo, Robert and Isay Seña, and the Nightingales, composed of Bianca Lopez-Aguila and Rhina Palma-Cruz.
