SUBJECT : Culminating Activity of the Intensive Training for the Core Team in Mathematical Investigation and Modelling (MIM) Curriculum

DATE : March 8, 2022

In support to the Department of Education's Sulong Edukalidad Program, specifically on Teachers Upskilling and Reskilling, the Bureau of Curriculum Development conducted a long-term intensive training for teachers on Mathematical Investigation and Modelling for the Special Program for Science, Technology, Engineering and Mathematics (SP STEM). The training provided teachers with the opportunity to conduct projects investigating math theories and its application through modelling in order to solve real life problems.

The culminating activity will be held on **March 29, 2022 at 1:00 pm via online platform** which will highlight the oral presentation of the project outputs. The schedule of activity and list of official participants, including Regional Math Education Program Supervisors and selected Division Math Education Program Supervisors, please see enclosures.

For further queries and clarifications, you may contact Melanie C. Unida, Senior Education Program Specialist, through melanie.unida@deped.gov.ph.

For your kind reference.
