Dear Dir. Fetalvero,

In connection with the upcoming May 9, 2022, Local and National Elections, the Energy Task Force Election is conducting preparatory activities such as coordination with COMELEC and other National Government Agencies to ensure the provision of continuous power supply.

In this regard, may we seek your assistance by providing the list of schools or precincts in Region VIII that are still without power after being affected by Typhoon Odette. These schools/precincts will be referred to the respective Power Distribution Utilities for reconnection prioritization.

Your favorable action on this request is highly appreciated. You may email the said list to vfo.epims@doe.gov.ph. Thank you.

Sincerely,
