OUA MEMO 00-0622-0030
MEMORANDUM
06 June 2022

For: **Regional Directors**
Regional Engineers
Schools Division Superintendents
Assistant Schools Division Superintendents
Division Engineers
All Others Concerned

Subject: **REITERATION ON THE USE OF PICK-UP VEHICLES ISSUED TO DEPED ENGINEERS**

The Office of the Undersecretary for Administration (OUA), through the Education Facilities Division (EFD), has been receiving several reports that Official DepEd Pick-up Vehicles issued to Regional and Division Engineers for monitoring and validation of School Building Projects are being used for other purposes and not for their intended use.

Aligned with the Aide Memoire released last 1 October 2020 titled *Service Vehicles, Laptops, Drones and Other Equipment for Governance*, the service pick-up vehicles were issued to Regional and Division Engineers to support them in their validation, monitoring and other related activities relative to the implementation of the School Building Program.

These service pick-up vehicles were sourced from the Engineering Overhead Funds of the Basic Education Facilities Fund (BEFF) and not from General Administrative Support Services (GASS) Fund.

This reiteration is being made to emphasize that the issued pick-up vehicles are primarily for the use of DepEd Engineers. Only in times of calamities can they be used by the DRRMO Coordinator for post-damage assessment activities.

The vehicles should not be used as service pick-up vehicles of the Regional Directors or Schools Division Superintendents.

For information and strict compliance.

ALAIN DEL B. PASCUA
Undersecretary
