Dear Ma'am,

Greetings of Peace and Good Health!

The Bureau of Fire Protection is a national government agency mandated to prevent and suppress destructive fires. Lectures and seminars are among the effective ways to disseminate fire prevention awareness.

One of the activities of the Bureau of Fire Protection is the **Apoy at Lente Documentary Film Festival** contest which is designed to showcase the skills and talents of the growing society of freelance film making nationwide. The goal of the contest is to produce documentary films telling stories related to fire. By showing these kinds of films to the public and through the social media, the BFP hopes to open the public's consciousness to fire safety especially at times of pandemic where in most of the people are encouraged to stay in their homes.

In connection to this, we respectfully invite your good office and your schools regionwide including the students to **view, comment, like and share** our regional entry in the national level entitled, "**PAGBASOL**" through the QR Code attached and provided.

Should you have any question or clarifications, please contact the Regional Community Relations Section through mobile numbers **0955-752-4743** or send an e-mail at [crs.bfpr8@gmail.com](mailto:crs.bfpr8@gmail.com).

Truly yours,
