Madam:

Warm greetings of peace!

The St. Joseph Academy is one with the world and this government in addressing the enormous scale of repercussions of the public health crisis brought upon by the COVID-19 pandemic. In this new normal, the school devised ways and employed learning modality that respond to the urgent need of continuing education in the time of pandemic without compromising the health of all of our stakeholders.

Hence, over the two past school years, the school applied for and was granted Provisional Compliance Certificate to Offer Alternative Learning Modality. The school successfully opened enrollment and consequently, classes through Modular Distance Learning for its Junior High School department. Our Kindergarten Department however was what suffered due to lack of enrollment. Over the past two school years, **the school recorded no enrollment for our Kindergarten which forced the school to suspend operations over the past two school years.**

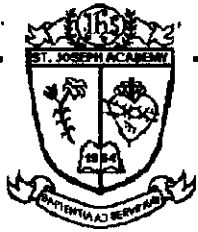

With the world still suffering from the COVID-19 pandemic, **the St. Joseph Academy with School ID no. 404768, would like to manifest its intent to suspend the operation of its Kindergarten Department for School Year 2022-2023.** The school and its stakeholders arrived on the consensus that the said move would best serve the interest of the institution and its stakeholders.

It is envisioned that the school's Kindergarten Department will resume normal operations in the school years to come when the COVID-19 pandemic further subsides and enrollment number goes up. However for the upcoming school year, we signify our intent to suspend operations.

Thank you and may God Almighty continue to bless us all!

Very truly yours,
