Dear Earth Champion,

Greetings!

Few more days until the Olympiad 2022 Qualifiers ends on 10 August 2022! You can still sign up through <https://climatescience.org/olympiad>.

**ClimateScience Olympiad** only takes 25-minute to answer! This is a global problem-solving competition that encourages and empowers the youth aged 12 to 25 years old to find solutions to the effects and causes of climate change. You can compete by yourself or with a partner. Winners get to share the \$15,000 prize pool!

Further, we have several educational materials available on our [website](#)!

Climate action continues to be a collaborative effort. **If you are interested in collaborating through our activities or any initiatives, we are more than happy to work with you.**

If you have further questions or concerns, you can email us at [roc@climatescience.org](mailto:roc@climatescience.org) or at [jas@climatescience.org](mailto:jas@climatescience.org).

ClimateScience Community Philippines is a local chapter of ClimateScience, a volunteer youth-led nonprofit organization based in the UK. Our mission is promoting solution-focused climate education through science-based, accessible, and fun educational materials and programs.

We look forward to having you and let's be part of this better world!

All the best,

ClimateScience Community Philippines
