Dear Madam:

This letter is to inform you that FHP Development Learning Center will only offer Kindergarten Program for S.Y. 2022-2023 and will temporarily not accept enrollees for Elementary Programs for the School Year 2022-2023.

FHP DLC School offers Pre-elementary & Elementary Programs in the Municipality of Merida. During the pandemic that started in the first quarter of 2020, the institution continued to cater the students both in Pre-elementary and Elementary. During those past 2 years of pandemic, the school have less number of students enrolled. Afraid of the covid-19, some parents decided to let their children stop schooling and other parents decided to transfer their children to public schools. These changes caused additional financial setbacks for the institution and decided to accept only kindergarten enrollees for S.Y. 2022-2023 in hope to have a better economy.

We are thankful for your understanding and consideration.

Respectfully yours,
