REGIONAL MEMORANDUM

No. **935** 2022

**HYBRID EASTERN VISAYAS REGIONAL SCIENCE AND
 TECHNOLOGY WEEK CELEBRATION**

To: Schools Division Superintendents
 School Heads
 All Others Concerned

1. This Office, through the Curriculum and Learning Management Division (CLMD) and in partnership with the Department of Science and Technology (DOST) – Regional Office VIII, announces the conduct of the DOST's Hybrid Eastern Visayas Regional Science and Technology Week Celebration on August 25 - 27, 2022 in Ormoc City, with the theme "*Agham at Teknolohiya: Kabalik at Maunlad at Matatag na Kinabukasan.*"

2. In line with this, a Technology Fora will be conducted on August 25 – 26, 2022 via Zoom. The participants are the Divisions' Science Education Program Supervisors (EPSs) and/or secondary school heads implementing the Science, Technology, Engineering, Mathematics programs. A total of 20 participants for the region shall attend, with the following number distribution per division:

Division	Number of Participants	Division	Number of Participants
Baybay City	1	Maasin City	1
Biliran	2	Northern Samar	2
Borongan City	1	Ormoc City	2
Calbayog City	1	Samar	2
Catbalogan City	1	Southern Leyte	2
Eastern Samar	2	Tacloban City	1
Leyte	2	TOTAL	20

Dear **Ms. Fetalvero**:

Isang maka-agham na pagbati!

The Department of Science and Technology Regional Office No. VIII will hold a **Hybrid Eastern Visayas Regional Science and Technology Week (EVRSTW) Celebration on August 25-27, 2022** in Ormoc City with the theme **“Agham at Teknolohiya: Kabalikat sa Maunlad at Matatag na Kinabukasan”**.

This year’s EVRSTW will include the conduct of technology fora from August 25 – 26, 2022 via Zoom platforms. The fora will feature the different DOST developed digital technologies, as listed below with their respective registration links.

Date	Time	Training Topics & Link
August 25, 2022	1:00PM – 5:00PM	Technology Forum on DRRM <ul style="list-style-type: none"> · PAGASA Digital Applications · GeoRisk PH · How Safe Is My House? https://bit.ly/technologyforum1
August 26, 2022	8:00AM – 12:00 NN	Technology Forum on Digitalized Technologies <ul style="list-style-type: none"> · MIRDC Developed Technologies https://bit.ly/technologyforum2-3
August 26, 2022	1:00PM – 5:00 PM	Technology Forum on Green Technologies <ul style="list-style-type: none"> · Mechanized Coffee Pulper · Coffe Greenhouse Solar Dryer · Coffee Moisture-Meter · Intelligent Greenbox https://bit.ly/technologyforum2-3

In this regard, we would like to invite (20) participants from your office to join us virtually during the conduct of the said activity.

We will appreciate receiving your confirmation of attendance in the above registration link on or before **August 24, 2022**. Please feel free to contact Engr. Veronica A. Laguitan, Northern Samar Provincial S&T Director (mobile no: 0998-1925-726 or email: valaguitan @region8.dost.gov.ph) or Ms. Camille Alyssa M. Amantillo (mobile no. 0920-2849-947).

We are looking forward to celebrating 2022 EVRSTW with you.
 Thank you!

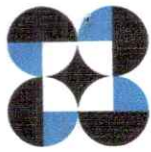

Very truly yours,

ERNESTO M. GRANADA

PRO FORMA LETTER FOR PARTICIPANTS

EVELYN R. FETALVERO
Regional Director
Department of Education
Regional Office VIII
Govt. Center Candahug, Palo, Leyte

Dear Dir. Fetalvero:

Greetings!

The Department of Science and Technology Regional Office No. 8 will be celebrating the **2022 Eastern Visayas Regional Science and Technology Week (EVRSTW) Fair and Exhibit and the Stakeholder' Caravan and Forum on August 25 – 27, 2021** following the theme *"Agham at Teknolohiya: Kabalikat sa Maunlad at Matatag na Kinabukasan"* to celebrate the success and fruitful commitment of DOST in directing, leading, and coordinating the country's scientific and technological efforts geared towards maximum economic and social benefits for the people. Several activities are lined up such as virtual exhibits, webinars, fora, awarding ceremony and other side events showcasing the DOST's milestones in Science, Technology, and Innovations and its applications to the different aspects of life.

In this light, we are cordially inviting you as one of our honored guests during the **CEST Forum on August 26, 2022 (9:00 AM)**. The activity will be hybrid thus, there will be an available link to be sent to the emails of the participants who will attend virtually once registered. Yet, we further encourage you and your staff to visit our physical exhibit and attend the several activities lined up for the said celebrations. Kindly register through this link bit.ly/reg2022cestforum or scan the QR Code below. The log in details for the opening program will be sent to the email address upon confirmation of attendance.

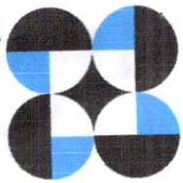

Our coordinators, Dr. Ramil T. Uy and Engr. Michaela R. Padagdag will keep in touch with you regarding this invitation. Should you have any queries, please do not hesitate to contact us through our cellphone number 09562493471 / 09566022292 or email us at cest.rpmo@gmail.com.

Thank you and we hope you can be with us on this very important occasion.

Very truly yours,

ERNESTO M. GRANADA
Regional Director

REGIONAL OFFICE NO. VIII

01 August 2022

DIR. EVELYN R. FETALVERO
Regional Director
Department of Education
Govt. Center Candahug, Palo, Leyte

Dear Dir. Fetalvero:

The Department of Science and Technology Regional Office No. VIII will be celebrating this year's Eastern Visayas Regional Science and Technology Week on August 25-27, 2022 with the theme "*Agham at Teknolohiya: Kabalikat sa Maunlad at Matatag na Kinabukasan*". This year's EVRSTW will be conducted in conjunction with the DOST-TAPI's Stakeholders' Forum and Caravan and the 31st Visayas Area Business Conference, which will be conducted on-site in Ormoc City in partnership with the Ormoc City Chamber of Commerce and Industry, Inc.

The EVRSTW will highlight exhibits showcasing the milestones in science, technology, and innovation, the latest technologies developed by DOST as products of careful research and development activities through various technical fora, and recognition of our assisted MSMEs and communities for their successful S&T projects, of which face-to-face activities will be conducted at the Superdome, Ormoc City, Leyte and streamed via Zoom and Facebook Live.

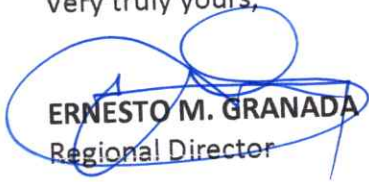

In this regard, may we be honored by your presence during the **Opening Program on August 25, 2022 at exactly 09:00 o'clock** in the morning at the Superdome, Ormoc City, Leyte. Should you wish to join us virtually, you may register in advance through this link: <https://evrstw2022.dost8.ph/register>. Further, may we also invite your staff to join us virtually in our various activities during the three-day RSTW. Please see attached program of activities, for your reference.

We will appreciate receiving your confirmation of attendance the earliest possible time. Please feel free to contact Ms. Jean Gay Ragub, DOST VIII-ORD at (053) 832-8978/ 0917-304-3335; Ms. Cathrene Celeste Encina at 0968-853-1128; or Mr. Alfred Calibuso at 0966-522-1825.

We are looking forward to celebrate the EVRSTW 2022 with you.

Thank you!

Very truly yours,

ERNESTO M. GRANADA

08 August 2022

PRO FORMA LETTER FOR PARTICIPANTS

EVELYN R. FETALVERO

Regional Director
Department of Education
Regional Office VIII
Govt. Center Candahug, Palo, Leyte

Dear Dir. Fetalvero:

Greetings from the Department of Science and Technology Regional Office No. VIII!

We are pleased to inform you that we are organizing the first leg of the **Stakeholders' Forum on Technology Transfer and Commercialization on 25 August 2022, 1:00PM to 5:00PM at the City Government of Ormoc** in close collaboration with the Technology Application and Promotion Institute and the Ormoc City Chamber of Commerce and Industry, Inc. This will also be conducted via Zoom for those who won't be physically present during the activity (*please see attached program and Zoom details*).

The forum aims to identify the priority areas and gaps which can be used as a basis for interventions in transferring and commercializing technologies. Specifically, the forum will aid in defining the country's current status and priority focusing on technology transfer and commercialization as well as identifying the programs and projects to complement the said priorities identified. Participants are requested to identify issues and concerns for each topic on innovation and commercialization with the hope to answer the question that will resonate throughout the session, "**What are the technology transfer and commercialization needs today and beyond?**". Attached is a copy of the topics and guide questions for your reference.

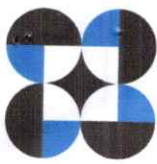

In this regard, we would like to invite you or your representative to the said forum. Your presence, expertise, and utmost participation, or your representative, will be of great contribution to the success of the forum to integrate the data that would be needed out of this participatory activity. *Please confirm your attendance not later than **August 22, 2022** at this link https://bit.ly/stakeholdersforum_confirm.*

Should you have questions and clarifications, please get in touch with **Dr. Ramil T. Uy**, Senior Science Research Specialist, or **Ms. Carmee A. Sarvida**, Project Assistant II, at contact numbers 09206675007 and 09674230212, respectively, or email records@region8.dost.gov.ph.

Thank you for your usual cooperation.

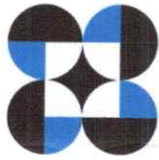

Very truly yours,

ENGR. ERNESTO M. GRANADA
Regional Director

PROGRAM OF ACTIVITIES
25 August 2022 | 01:00 – 05:00 PM

12:40 PM	Registration	
1:00 PM	Opening Ceremonies	
	Welcome Remarks	Atty. Marion Ivy D. Decena Director, DOST-TAPI
1:10 PM	Introduction of Speaker	
	Briefer of the Country's Technology Transfer and Commercialization Landscape	Representative
	DOST-TAPI's Initiatives on Technology Innovation, Development, Transfer and Commercialization	Planning Unit, DOST-TAPI
2:00 PM	Explanation of the Mechanics	Facilitator/Host
2:10 PM	Workshop Proper	
3:10 PM	Snacks	
3:30 PM	Group Sharing and Group Presentation and Endorsement to DOST-TAPI	
04:50 PM	Closing Remarks	Engr. Ernesto M. Granada Regional Director, DOST VIII

Stakeholders' Forum Topics and Guide Questions

Ideation and Protection	Technology Development	Technology Transfer and Commercialization	Promotion and Utilization	Other Concerns
<p>Some Guide Questions</p> <ul style="list-style-type: none"> • Are inventors and researchers aware of the different types of intellectual properties? • Do they have enough access to making their concepts into initial prototypes? • Is the support given enough for them? • What could be of help for them to successfully turn their ideas into tangible assets? • Are their intellectual properties truly protected? 	<p>Some Guide Questions</p> <ul style="list-style-type: none"> • Are the technologies developed relevant to the changing times? • Do inventors and researchers have access to funding mechanisms? • Should there be a sector that must be prioritized in terms of developing technologies? • What more can be offered to technology generators and inventors? • Is there enough industry linkages for inventors and tech generators? 	<p>Some Guide Questions</p> <ul style="list-style-type: none"> • How can the current tech transfer situation be improved? • What key information needs to be established onset or early? • How to encourage investors or adopters to acquire the tech? • How to have a business mindset particularly among researchers? • How to create markets for the already developed technologies? • Which business models are successful? 	<p>Some Guide Questions</p> <ul style="list-style-type: none"> • Are the target markets of ready technologies defined? • How do the ready technologies drive revenue? • Which marketing strategy best works for business to business or consumer? • Is the current promotion effective? • How to improve the current promotion initiative? • Are the pricing points beneficial to the researcher? 	<p>Some Guide Questions</p> <ul style="list-style-type: none"> • Are we ready to go international? • How to diversify a saturated market? • Is government support enough for researchers, inventors, and innovators in the country? • Should there be regional and foreign hubs? • Is it beneficial for the government to try capital sharing? • Is it more appropriate if a GOCC handles tech trans and commercialization in the country?
