In support, our partner organization the United Nations Children's Fund (UNICEF) donated 18 laptops to DepEd that has been used by our teacher-writers: Region 3- 4 laptops, Region 9- 10 laptops, Region 8- 4 laptops. The said laptops were distributed and lent to our teacher- writers. Attached herewith is the Laptop Allocation per language area.

In this regard, as we conclude the program, we are mandating our Regional Offices to retrieve these laptops following the usual rules and regulations for safe keeping and be used in support to Mother- Tongue Based Multilingual Education (MTB-MLE) and Indigenous People's Education (IPED) programs in developing more storybooks in their local languages. Attached in Annex A are the details in Laptop Allocation done by UNICEF.
