EVELYN R. FETALVERO, CESO IV

Regional Director

Eastern Visayas

Dear Dir. Fetalvero:

Greetings!

In celebration of our 87th anniversary, the UP Filipiniana Dance Group, together with the UP Office for Initiatives in Culture and the Arts (OICA), will be staging our first online dance concert. This will feature the facets of our colorful Philippine culture through dance. The concert will feature dances from the Tinikling to the Maria Clara. Filipiniana will also showcase its versatility through contemporary and jazz pieces that will augment the appreciation of our culture with the newer generations.

With this, we would like to invite you to be part of our virtual audience as we stage our first Online Dance Concert, **HINABI**;

HINABI represents the interconnected relationships of our colorful Filipino cultures. This intricacy and aesthetics will be used as the basis for the treatment of the show. Hinabi will discuss the intimate relationship between dance, space, and its environment, as well as, tightly interwoven relationships as a community in the university and Filipinos as a whole. This will hopefully unify us despite the perceived division brought about by socio-political issues that affect us in various facets of our lives. The concert will be filmed in different well-known locations inside the University of the Philippines Diliman campus.

This event will be streamed online on September 24-25, 2022, and is expected to garner a captive audience (students and teachers from the University of the Philippines and other universities, local folk and modern dance groups and institutions, and other academic and art professionals) of 1,000-1,500 per show.

In line with this, we attached herewith are ticket packages prepared especially for you.

The U.P. Filipiniana Dance Group is eager to share the cultivation of culture, to reflect the sentiments and dreams of the contemporary times, to send a glimmer of hope, and to reinforce the resilient spirit of the university to its student population and community.

Lagi't lagi, mabuhay ang sining ng sayaw at kulturang Pilipino!

Respectfully yours,
