**Hon. Dr. Evelyn R. Fetalvero, CESO IV**  
Regional Director  
DepEd Region VIII  
Gov't. Center, Candahug, Palo, Leyte

Dear Director Fetalvero,

Warm greetings!

1PhysEd.Ph is committed to providing meaningful and relevant professional development training and seminars to Physical Education and Health teachers. We envision all schools' physical education units to deliver excellence in their respective academic and extracurricular programs. Being empowered with updated skills will ensure that PE teachers will meaningfully contribute to the wellness of our youth.

With that, this year, 1PhysEd.Ph Training and Development Services will organize the **"2022 National Physical Education Teachers' Convention"** with the theme: *"Cultivating the Philippine Physical Education Community into Greater Heights"* on December 1-3, 2022, at Teacher's Camp, Baguio City.

The convention aims to provide a clear perspective of the vital role of Physical Education teachers in facilitating effective and meaningful sports and PE programs as primary contributors to bringing fitness and wellness to learners. This will help PE teachers as classroom influencers to create and make an impact for students to value their participation in regular physical activities through various mediums. Furthermore, the convention's activities aim to improve PE teachers' competence by providing them with sessions that are timely, relevant, and aligned with the demands of the 21st century and the post-pandemic era. Lastly, the convention's overall goal is to bring together many teachers, researchers, and scholars to discuss and share their experiences and research-based findings in all areas of Physical Education and Sports. It will also serve as a premier interdisciplinary forum for academics, practitioners, and educators to present and discuss the most recent advances, trends, concerns, practical difficulties encountered, and solutions implemented in interdisciplinary research.

The administration of 1PhysEd.Ph recently submitted the necessary documents and awaits the confirmation of the Professional Regulation Commission to grant the convention with CPD points.

In this regard, we humbly request an endorsement/advisory of this program from your office, intending to reach more Physical Education teachers.

Attached herewith in this email are the complete details of the upcoming conference.

Your acknowledgement and favorable response are highly appreciated. Thank you, and God bless.

Respectfully,

MR. PAULO O. LABASTIDA, LPT

# PROGRAM OVERVIEW

The convention will begin with an opening program to be followed by a plenary session that focuses on the theme of the convention. The primary goal of the keynote speaker is to deliver a clear perspective to the participants with regard to their vital role as PE teachers in facilitating effective and meaningful physical education programs as prime contributors to bringing fitness and wellness to learners. The learning session will benefit the physical education teachers as classroom influencers to create and make an impact for the students to primarily value their engagement in regular physical activities through different mediums. The remaining half of the morning session will be a workshop that will specifically guide the participants on the pathway of being a Google Certified Educator 1 or 2. In the afternoon, the participants will be engaged in a workshop about the Philippine Games. The goal is to capacitate the PE teachers on how they can utilize different Philippine Games in their respective PE classes. Other sports, dance, and fitness activities will also be an option for the teachers.

In partnership with:

# PROGRAM OVERVIEW

On the second day, the morning session will focus on activities that will give the opportunity for PE teachers to discover, learn and enhance their skills in different emerging mediums in physical education. At the same time, this can provide connection and network building for them to be affiliated with different organizations that promote advocacy for sports, dance, and wellness. In the afternoon, there will be a breakout session for emerging effective teaching strategies in different key stages in the DepEd Curriculum. In parallel with this, there will be a workshop for tertiary PE instructors for the newly released CHED CMO No. 40 s. 2021 or the Guidelines on the Implementation of Flexible Learning for Tertiary Physical Education: Physical Activity Towards Health and Fitness (PATHFIT) Courses. Later in the afternoon, there will be a paper presentation and the activity for day 2 will end with a cultural night.

In partnership with:

# PROGRAM OVERVIEW

The final day of the convention will be a sports workshop that gives an opportunity for the participants to develop competencies in coaching. This activity is beneficial for further career advancement by engaging in National Sports Association programs and activities.

The goal of the activities included in the convention is to enhance PhysEd teachers' competence in handling classes, programs, and activities by providing them with sessions that are very timely, relevant, and meet the demands of the 21st century and post-pandemic era.

The entire convention aims to bring together a significant number of teachers, researchers, and research scholars to discuss and share their experiences and research findings in all areas of Physical Education and Sports. It will also provide a top interdisciplinary forum for academics, practitioners, and educators to present and discuss the most recent breakthroughs, trends, concerns, practical difficulties faced, and solutions implemented in interdisciplinary research.
