SCIENTEACH: SYMPOSIUM FOR THE YOUTH IN EASTERN SAMAR

Attached is a letter from the National Academy of Science and Technology and Department of Science and Technology – Regional Office VIII, announcing the conduct of the ScienTeach: Symposium for the Youth in Eastern Samar on November 4, 2022, 9:00 AM – 12:00 noon, via Zoom and Facebook Live..

The participants are teachers and learners from both public and private secondary schools.

The Divisions of Borongan City and Eastern Samar, through the Science and Mathematics Education Program Supervisors, are to collaborate and facilitate the participation of the teachers and learners and identification of the five (5) learners as the interviewers and two (2) learners to deliver impressions on the dialogue.

Participation of both public and private schools shall be subject to the *no-disruption-of-classes policy* stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.

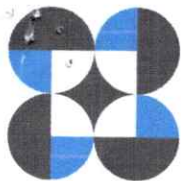

For more information, refer to the attachment.

Considering that this is an Advisory, Schools Division Superintendents are given the discretion to act on this matter.

Dear **Dir. Fetalvero**:

Good day!

We are forwarding herewith a letter from the National Academy of Science and Technology, Philippines (NAST PHL) regarding the conduct of the **ScienTeach: Symposium for the Youth in Eastern Samar on 4 November 2022, 9:00 AM to 12:00 NN** via Zoom and Facebook live, in partnership with the Department of Science and Technology Regional Office No. VIII (DOST VIII).

ScienTeach is a series of symposia that showcase varying topics featuring National Scientists, NAST Members, and awardees who are accomplished in their fields of expertise.

With this, we would like to seek assistance from your office to allow at least 500 students and teachers from both national and private junior and senior high schools within your jurisdiction to attend the said activity.

We would also like to invite **five (5) students** from different schools who will have a chance to ask questions to the speakers and identify **two (2) students** who will deliver their impressions on the dialogue. The students may register individually at <https://bit.ly/REGISTRATION-ScienTeachEasternSamar>.

Moreover, may we request a copy of your picture to be used in the publication materials to be posted on social media? We would also appreciate it if you can deliver a short message during the activity. You may opt to provide a video recording for the said activity.

Should you have questions or clarifications, you may contact Dr. Arnaldo T. Amosco, Jr., Provincial S&T Director of Eastern Samar at 09165119990 or email Mr. Jone James Rosales, one of our Scholarship Project Staff at rosalesjones.dost8scholarship@gmail.com or contact 09810940294.

In high anticipation of your usual support to our undertakings.

Thank you.

Very truly yours,

ENGR. ERNESTO M. GRANADA
Regional Director

DR. EVELYN R. FETALVERO, CESO IV
Regional Director
Department of Education - Region VIII
Government Center, Candahug, Palo, Leyte

Dear **Director Fetalvero**:

The National Academy of Science and Technology, Philippines (NAST PHL), an attached agency of the Department of Science and Technology (DOST) mandated to give recognition to outstanding achievements in S&T and adviser to the cabinet on matters related to science and technology, will hold this year's sixth episode of **ScienTeach: Symposium for the Youth in Eastern Samar** on **4 November 2022, 9:00 AM to 12:00 NN** via Zoom and Facebook live. This activity is in partnership with DOST Region VIII.

ScienTeach is a series of symposia that showcases varying topics featuring National Scientists, NAST members, and awardees who are accomplished in their fields of expertise. It aims to: 1) promote science and technology, 2) bring our scientists closer to the youth, and 3) inspire and encourage the students to pursue a career in science.

With this, we would like to seek assistance from your office to allow students and teachers from national and private junior and senior high schools within your jurisdiction to attend the said activity. The Zoom platform, which we will use can accommodate **980 students and teachers**. Other students that will not be accommodated by Zoom may join through Facebook live.

We would also like to invite **five (5) students** from different schools who will have a chance to ask first questions for the speakers and two **(2) students** who will deliver the impressions on the dialogue. To participate in the activity, we would like to encourage the students to individually register at <https://bit.ly/REGISTRATION-ScienTeachEasternSamar>.

We would also appreciate it if you can deliver a short message. Attached is the draft program for your reference.

Mr. Jone James O. Rosales from DOST Region VIII will coordinate with your office regarding this matter. Should you have questions or clarifications, you may email Mr. Rosales at rosalesjones.dost&scholarship@gmail.com or contact 09810940294.

We look forward to your support in this undertaking.

Thank you very much.

Yours truly,

LUNINGNING E. SAMARITA-DOMINGO, CESO III
Director IV, NAST PHL
