To: Schools Division Superintendents  
 All Others Concerned

1. This Office, which has forged a dynamic partnership with the Safe Schools 3 Project and Plan International Philippines through the support from Prudence Foundation in the development of the enhanced ADM-SLMs with DRR-CCA Integration, invites both teachers and learners to utilize the modules whenever possible or applicable so they can explore new ideas and practices that will improve learning.
2. It is a multipurpose learning material designed to ensure learning continuity despite the disruption of the regular class schedules. It contains topics that are not only MELCs-based but are also interesting. Moreover, it emphasizes the concepts of disaster preparedness, climate change, safe schools, and emergencies, especially those that impact the global scale and relate to Region VIII's needs and circumstances.
3. The SLMs can be accessed through the link <https://bit.ly/Enhanced-SLMs-DRR-CCA>.
4. Immediate dissemination and compliance with this Memorandum is desired.
