The Unilab Foundation convenes the **3rd Integrated STEM Leadership Summit and MIT Global Opportunity Initiative Launch in Southeast Asia** along with the Southeast Asian Ministers of Education Organization (SEAMEO), Massachusetts Institute of Technology - Open Learning and Global Opportunity Initiative (GOI), and US STEM Leadership Alliance on **November 3-5, 2022** at the Bayanihan Center, Pioneer St., Mandaluyong City, Philippines. Other organizing partners include University of the Philippines National Institute for Science and Mathematics Education Development (UP NISMED), Center for Integrated STEM Education (CISTEM), and STEM Leadership Alliance PH.

With the theme **“Building a High-Income Nation through a Skilled STEM Talent Pipeline and Robust Ecosystems”**, the 3<sup>rd</sup> STEM Summit will provide collaborative opportunities to different stakeholders. Leaders from different sectors of society and policymakers will come together and engage in transdisciplinary dialogues to formulate sustainable and systemic solutions at the nexus of education, health, economy, environment, arts, and culture. These integrated efforts intend to develop and embody a more holistic approach to improving the quality of education and building a high-income nation.

The invitation to this hybrid event is extended to the teachers and school administrators. Virtual participants may sign up through this link: <https://bit.ly/3rdSTEMSummit2022>. Registration is open until **October 28, 2022**.

Participation in this Summit is an official business. For more details, please visit [www.stemsummitasia.org](http://www.stemsummitasia.org).

For your information and immediate dissemination.
