Dear **Ms. Fetalvero**:

Warmest greetings from the Department of Science and Technology!

From November 23-27, 2022, the Department of Science and Technology (DOST) together with the entire scientific community, will be holding the hybrid celebration of the National Science and Technology Week (NSTW) at the World Trade Center in Pasay City.

The week-long event hopes to provide visitors the venue and opportunity to learn and experience the wonders of science and technology through the exhibits from DOST agencies and Regional Offices, which will showcase their latest research, innovation, and technologies.

In this regard, we are pleased to invite you, your faculty and the students of your institution, to view and/or experience the exhibition onsite at the World Trade Center or virtually through <http://nstw.dost.gov.ph> on the following schedule.
