Hon. Sara Z. Duterte  
Vice President and Secretary  
Department of Education

Madam:

Good day!

RoboSports Tournament (RST) is a robotics competition that focuses on the integration of robotics and sports like hockey, sumo, and boxing in promoting Science, Technology, Engineering, Arts and Mathematics (STEAM) among robotics enthusiasts of all ages. RST is being organized by RoboRAVE Robotics Consultancy and Services, the entity who spearheaded several robotics competitions in the country such as RoboRAVE Philippines, Robocon, Ultimate Robot Championship, and National Robotics Fair.

The DLSMHSI RoboSports Tournament 2023, in partnership with De La Salle Medical and Health Sciences Institute (DLSMHSI), will be held at the Animo Center of De La Salle Medical and Health Sciences Institute, Dasmariñas, City, Cavite on February 4, 2023, Saturday, from 8:00 A.M. – 5:00 P.M.

In line with this, we are inviting the student roboticists and coaches from your institution to join the said event. This event is a perfect avenue for them to showcase their talent in the field of robotics. To avoid disruption of classes, DepEd School Calendar and Activities for the SY 2022 -2023 (DepEd Order no. 24, s. 2022) and DepEd OASGFO Memorandum no. 2022-058 were considered in selecting the date for the activity, which will fall on Saturday of the co-curricular week of students prior to the midyear break.

The deadline of registration is on January 20, 2023. A registration fee of Php 2,500.00 per team (1 to 3 participants and a coach) per category will be collected. The collected fees will be offset to the cost of preparing and organizing the said event. Prizes include medals, certificates, and 3D pens.

To know more about the event, visit the Facebook page: **Pilipinas RoboSports Tournament** or email us at [rstopinas@gmail.com](mailto:rstopinas@gmail.com).

Thank you and God bless!

Sincerely,

Pilipinas RoboSports Tournament Officials
