Good day! I would like to appeal the decision of non-issuance of the advisory. To respond to your concern, I included the schedule that we will use in the program. Considering that many of our training sessions are done in a blended approach many teachers were able to attend the program AFTER their official time and class hours. I hope that this will clarify the issue of ensuring time-on-task issuance of DepEd.

In addition, I would like to follow up our request for advisory on the training intended for the non-teaching personnel. Thank you.
