INVITATION TO VISIT TINKER CLUB CENTER LEYTE

Dear Dir. Fetalvero,

Greetings!

We cordially invite you and your colleagues to visit our recently opened Tinker Club Center here in Leyte. Our goal is to showcase the various learning opportunities we have available for the students of Region VIII, and to explore potential collaboration possibilities.

At Tinker Club Leyte, we believe that hands-on, experiential learning is the foundation for igniting a lifelong passion for STEM and the arts. Our center is dedicated to providing a fun and interactive learning environment where students aged 4 to 12 can delve into their interests in STEM, as well as develop essential skills like creativity, critical thinking, communication, and collaboration through various hands-on activities.

During your visit, you will have the chance to try our activities and learn about our programs. Tinker Clubs is also one of the recipients of the DOST-PCIEERD's Startup Grant in 2021, and this will also be an opportunity for us to share with you the results of our grant-funded project. We also hope to discuss potential collaboration opportunities with you and receive guidance on how to better support the students of Region VIII in their STEM education.

Attached to this letter, you will find additional information about our company and our ongoing projects and initiatives. We hope that you will accept our invitation to explore how we can work together to serve the students in Region VIII.

- Date:** February 27 to March 4, 2023
- Time:** Please choose a time slot: 10 am to 12 nn | 2 pm to 4 pm | 5 to 7 pm
- Location:** Tinker Club Center Leyte
- Address:** 2nd Floor, One Wilson Square (New Building at the Nitrofuel Station), Palo, Leyte

Kindly RSVP by February 25, 2023 to confirm your attendance. We are eager to welcome you to our center and to discuss the possibilities of a collaborative partnership.

Best,
