The **EnerKids Program** aims to:

1. inculcate the values on the smart and efficient use of energy in the lives of young citizens and influence their families through the practical application of learnings acquired during the sessions;
2. create smarter energy consumers in the future;
3. increase knowledge on various energy sources and how to use them wisely; and
4. designate an *ENERGY COST BUSTER* in every home.

Participants of the said activity includes selected learners and teachers/advisers from public elementary schools in your respective region and division which will start at 8:30 a.m. to 11:30 a.m. Venue and meals (AM and Lunch) for the said activity will be provided by DOE-CWPO. Participants and their respective schools and Divisions will also be given a Certificate of Participation and Recognition.

In this regard, may we request your respective offices to assist DOE-CWPO to identify the target participants and to provide needed assistance for the conduct of the activity.
