Re: **FREE MELODICA TRAINING/SEMINAR** for Public School Teachers

Greetings!

The extra knowledge of our teachers has proven to contribute much to developing the students particularly in Music. It is also an edge where the students could learn more and bring out their innate talent in Music in relation to what is being learned in the classroom.

In view of this, I am very much eager again to conduct a **FREE** Musical Instruments Training on how to play the **MELODICA** to be facilitated to all Music Teachers and Non-music Teachers teaching music in both Elementary and High School with the given theme: "Discovering and Developing Musical Talent Within"

Further details are as follows:

- The entire training is **FREE** and all attendees will be provided with a Flexible Tube Mouthpiece to be used exclusively by each teacher as shown here –

- All teachers will be provided with the Melodica musical instruments to be used in the training along with the other materials such as hard copies of the music pieces and songs and other important materials;
- Topics will include application of Rudimentary Note Reading through the use of Melodica and other topics;
- It will be a **HALF DAY** or **WHOLE DAY** seminar/training to be held in your area.

I was once invited by the different DepEd Divisions in Metro Manila and provinces to conduct Bamboo Flute Training to their respective MSEP and MAPEH teachers years ago as shown by some Certificates I received at the back.

Thank you very much and Godbless!

Yours Sincerely,
