SUBJECT : **IMPLEMENTATION OF ALTERNATIVE DELIVERY MODE (ADM) IN ALL PUBLIC ELEMENTARY AND SECONDARY SCHOOLS**

DATE : 28 February 2023

1. In support of the Department of Education's (DepEd) commitment to strengthen inclusive education, provide a positive learning environment, promote learner well-being, and accelerate the delivery of basic education services for all learners, including those who are disadvantaged and are at risk of dropping out, all public elementary and secondary schools are highly encouraged to ensure availability of the different Alternative Delivery Mode (ADM) all through the school year.

2. ADMs, as defined in Annex 3 of the DepEd Order No 21 s. 2019 (*Flexible Learning Options: ADMs and ALS, Policy Guidelines on the K to 12 Basic Education Program*) are instructional or learning modalities that do not strictly follow the typical setup for regular classroom instruction but adhere to the K to 12 curriculum in content. The ADM caters to learners who are officially enrolled in the formal system but face unique circumstances that hinder them from regularly attending classes in school, increasing their risk of dropping out. It is flexible in terms of schedule and mode of instruction as they are multi-channeled, responsive, and relevant to the learners' needs and context.

3. Among the DepEd's ADMs are Modified In-School Off-School Approach (MISOSA), Instructional Management by Parents, Community, and Teachers (IMPACT), Open High School Program (OHSP), and Night School, whichever is applicable based on the needs and context of the learners. Details of each ADM, its target learners, and the process to avail these are detailed in Annex 3, DO 21 s. 2019.
